<p>An immensely persuasive work of literary criticism that opens a new chapter in the American dialogue on race—and promises to change the way we read American literature. Morrison shows how much the themes of freedom and individualism, manhood and innocence, depended on the existence of a black population that was manifestly unfree—and that came to serve white authors as embodiments of their own fears and desires. According to the Chicago Tribune, Morrison "reimagines and remaps the possibility of America." Her brilliant discussions of the "Africanist" presence in the fiction of Poe, Melville, Cather, and Hemingway leads to a dramatic reappraisal of the essential characteristics of our literary tradition. Written with the artistic vision that has earned the Nobel Prize-winning author a pre-eminent place in modern letters, <i>Playing in the Dark</i> is an invaluable read for avid Morrison admirers as well as students, critics, and scholars of American literature.</p>

<p>Examines the effect of a racially divided society on nineteenth century American writings, and discusses works by Poe, Hawthorne, Melville, and Twain</p>
<p>Examines the effect of a racially divided society on nineteenth century American writings, and discusses works by Poe, Hawthorne, Melville, and Twain</p>
<p>Toni Morrison's <i>Playing in the Dark: Whiteness and the Literary Imagination</i> is a seminal piece of literary criticism, and a masterclass in the critical thinking skill of interpretation. Interpretation plays a vital role in critical thinking: it focuses on interrogating accepted meanings and laying down clear definitions on which a strong argument can be built. Both history and literary history in the US have frequently revolved around understanding how Americans define themselves and each other, and Morrison's work seeks to investigate, question, and redefine one of the central concepts in American history and American literary history: color. Morrison turned to the classics of American literature to ask how authors had chosen to define the terms 'black' and 'white.' Instead of accepting traditional interpretations of these works, Morrison examined the way in which 'whiteness' defines itself through 'blackness,' and vice versa. Black bondage and the myths of black inferiority and savagery, she showed, allowed white America to indulge its own defining myths - viewing itself as free, civilized, and innocent. A classic of subtle and incisive interpretation, <i>Playing in the Dark</i> shows just how crucial and how complex simple-looking definitions can be.</p>

<p>What is race and why does it matter? Why does the presence of Others make us so afraid? America's foremost novelist reflects on themes that preoccupy her work and dominate politics: race, fear, borders, mass movement of peoples, desire for belonging. Ta-Nehisi Coates provides a foreword to Toni Morrison's most personal work of nonfiction to date.</p>
<p>NATIONAL BESTSELLER • A New York Times Notable Book • This fiery and provocative novel from the acclaimed Nobel Prize winner weaves a tale about the way the sufferings of childhood can shape, and misshape, the life of the adult. At the center: a young woman who calls herself Bride, whose stunning blue-black skin is only one element of her beauty, her boldness and confidence, her success in life, but which caused her light-skinned mother to deny her even the simplest forms of love. There is Booker, the man Bride loves, and loses to anger. Rain, the mysterious white child with whom she crosses paths. And finally, Bride's mother herself, Sweetness, who takes a lifetime to come to understand that "what you do to children matters. And they might never forget."</p>

<p>Here is Toni Morrison in her own words: a rich gathering of her most important essays and speeches, spanning four decades. These pages give us her searing prayer for the dead of 9/11, her Nobel lecture on the power of language, her searching meditation on Martin Luther King Jr., her heart-wrenching eulogy for James Baldwin. She looks deeply into the fault lines of culture and freedom: the foreigner, female empowerment, the press, money, "black matter(s)," human rights, the artist in society, the Afro-American presence in American literature. And she turns her incisive critical eye to her own work (The Bluest Eye, Sula, Tar Baby, Jazz, Beloved, Paradise) and that of others. An essential collection from an essential writer, <i>The Source of Self-Regard</i> shines with the literary elegance, intellectual prowess, spiritual depth, and moral compass that have made Toni Morrison our most cherished and enduring voice.</p>
<p>Sapphira and the Slave Girl Willa Cather - Set on the Nebraska prairie where Willa Cather (18731947) grew up, this powerful early novel tells the story of the young Alexandra Bergson, whose dying father leaves her in charge of the family and of the lands they have struggled to farm. In Alexandra's long flight to survive and succeed, O Pioneers!relates an important chapter in the history of the American frontier.Evoking the harsh grandeur of the prairie, this landmark of American fiction unfurls a saga of love, greed, murder, failed dreams, and hard-won triumph. In the fateful interaction of her characters, Willa Cather compares with keen insight the experiences of Swedish, French, and Bohemian immigrants in the United States. And in her absorbing narrative, she displays the virtuoso storytelling skills that have made her one of the most admired masters of the American novel. Sapphira and the Slave Girl is Willa Cather's last novel, published in 1940.The story of Sapphira Dodderidge Colbert, a bitter but privileged white woman, who becomes irrationally jealous of Nancy, a beautiful young slave. The book balances an atmospheric portrait of antebellum Virginia against an unblinking view of the lives of Sapphira's slaves. In this story I have called several of the characters by Frederick County surnames, but in no case have I used the name of a person whom I ever knew or saw. My father and mother, when they came home from Winchester or Capon Springs, often talked about acquaintances whom they had met. The names of those unknown persons sometimes had a lively fascination for me, merely as names: Mr. Haymaker, Mr. Bywaters, Mr. Householder, Mr. Tidball, Miss Snap. For some reason I found the name of Mr. Pertleball especially delightful, though I never saw the man who bore it, and to this day I don't know how to spell it.</p>

<p>From the acclaimed Nobel Prize winner: Two girls who grow up to become women. Two friends who become something worse than enemies. This brilliantly imagined novel brings us the story of Nel Wright and Sula Peace, who meet as children in the small town of Medallion, Ohio. Nel and Sula's devotion is fierce enough to withstand bullies and the burden of a dreadful secret. It endures even after Nel has grown up to be a pillar of the black community and Sula has become a pariah. But their friendship ends in an unforgivable betrayal—or does it end? Terrifying, comic, ribald and tragic, <i>Sula</i> is a work that overflows with life.</p>
<p>Nobel laureate Toni Morrison is one of the most widely studied of contemporary American authors. Her novels, particularly <i>Beloved</i>, have had a dramatic impact on the American canon and attracted considerable critical commentary. This 2007 Companion introduces and examines her oeuvre as a whole, the first evaluation to include not only her famous novels, but also her other literary works (short story, drama, musical, and opera), her social and literary criticism, and her career as an editor and teacher. Innovative contributions from internationally recognized critics and academics discuss Morrison's themes, narrative techniques, language and political philosophy, and explain the importance of her work to American studies and world literature. This comprehensive and accessible approach, together with a chronology and guide to further reading, makes this an essential book for students and scholars of African American literature.</p>
