This comprehensive guide to the history of literary criticism from antiquity to the present day provides an authoritative overview of the major movements, figures, and texts of literary criticism, as well as surveying their cultural, historical, and philosophical contexts. Supplies the cultural, historical and philosophical background to the literary criticism of each era Enables students to see the development of literary criticism in context Organised chronologically, from classical literary criticism through to deconstruction Considers a wide range of thinkers and events from the French Revolution to Freud's views on civilization Can be used alongside any anthology of literary criticism or as a coherent stand-alone introduction

Get where you need to be with CORNERSTONES OF FINANCIAL ACCOUNTING. Cornerstones delivers a truly unique learning system that is integrated through the entire introductory managerial accounting journey — ensuring students will leave the course with the knowledge they need to be future business leaders. Students are guided through: Building A Strong Foundation: Students need to build a strong foundation of the fundamentals before they can move forward in this course. The unique Cornerstones approach gets them through the fundamentals FASTER so that they can transition to analyzing and applying concepts. Understanding Relationships: Rather than focusing on concepts in isolation, students should understand accounting as a system and recognize how the end result changes based on how the numbers affect each other. CORNERSTONES aids students in this step as an important part in training them to be good decision makers. Making Decisions: Armed with the knowledge they have gained from working through the other aspects of the Cornerstones approach, students are now given the tools to bring their knowledge full-circle and practice making good business decisions. Students love this approach because it presents materials the way they learn. Instructors love it because it gets students to master the foundations more quickly and allows more time to learn and apply the analysis and decision making of accounting. Get There with Cornerstones! Available with InfoTrac Student Collections http://goengage.com/infotrac. Fans of Alice Sebold and John Green will be transfixed by this sophisticated, edgy debut novel packing dark humor, biting wit, and a lot of Jack Daniels. Who put the word fun in funeral? I can't think of anything fun about Rachel's funeral, except for the fact that she won't be there. Aubrey Glass has a collection of potential suicide notes—just in case. And now, five years—and five notes—after leaving her hometown, Rachel's the one who goes and kills herself. Aubrey can't believe her luck. But Rachel's death doesn't leave Aubrey in peace. There's a voicemail from her former friend, left only days before her death, that Aubrey can't bring herself to listen to—and worse, a macabre memorial-turned-high-school reunion that promises the opportunity to catch up with everyone . . . including the man responsible for everything that went wrong between Aubrey and Rachel. In the days leading up to the funeral and infamous after party, Aubrey slips seamlessly between her past and present. Memories of friendship tangle with painful new encounters while underneath it all Aubrey feels the rush of something closing in, something she can no longer run from. And when the past and present collide in one devastating night, nothing will be the same again. But facing the future means confronting herself and a shattering truth. Now, Aubrey must decide what will define her: what lies behind . . . or what waits ahead.

Morie Sawataishi lives a life that is radically unconventional by any standard but almost absurd in blatantly conformist Japan. Journalist Martha Sherrill provides a profound look at what it takes to be an individualist in a culture where rebels are rare.
