This story is about what happened to a loved pet one night when it started to rain. There are many meaningful opportunities for readers to talk, read and think as they relate the theme of the story to their own experiences.

Chooky is a caring mother. However, she has a family of nine little chicks to care for. When one little chick runs off to get a worm, it is not Chooky but a hungry rat and a farm cat that observe the little chick all alone.

Mitch, Ben and their dad have gone canoeing on the river when they see that a duckling is stuck in a current around some rock and it can't keep up with the mother duck. Will they be able to help the little duckling back to its mother?

Clare is troubled when she accidentally
