Where To Download

This introductory text covers all major areas of police operations with a focus on community-oriented and problem-oriented policing, which reflects the current direction of progressive police departments.

Providing a comprehensive presentation of police operations, the authors incorporate the latest

Where To Download

research on patrol techniques, cultural diversity, and changes in police administration policy. The text goes beyond the traditional focus on the patrol function of policing, but is still geared towards the student pursuing a career in law enforcement. Known for solid coverage of basic policing principles and

Where To Download

practices, this text one of the few texts in this market intended purely for the police operations course, and not for a combination of introduction to law enforcement and police operations courses. Wroblewski brings a practical and professional knowledge with a practitioner's point of view, while

Where To Download

Hess brings her
experience of over 25
years of developing
instructional products.

Practice

Comprehensive,
readable text that
presents a practical look
at police field operations
and is designed to be
used in one-semester
courses on police
operations or patrol
procedures. Chapters

Where To Download

have been designed to be independent units that can be taught individually, but also build upon each other to provide a complete picture of police operations.

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that

Where To Download

may come packaged with the bound book. **Police Field Operations: Theory Meets Practice, 2/e** is a comprehensive, readable text that presents a practical look at police field operations and is designed to be used in one-semester courses on police operations or patrol procedures. Chapters have been designed to

Where To Download

be independent units that can be taught individually, but also build upon each other to provide a complete picture of police operations. The text cover all major areas of police operations including patrolling, investigations, crime mapping, community policing, hot pursuit issues, communications,

Where To Download

gangs and drugs, and more. Discussions focus on issues and challenges that police officers face on the job and help students bridge the gap between theory and practice. Teaching and Learning Experience This program will provide a better teaching and learning experience—for you and your students. It

Where To Download

provides: Clear links between theory and practice: Chapters help students understand theoretical concepts and directly apply them to field operations.

Comprehensive coverage: The text is a complete resource for field operations courses.

Readable discussions:
Straightforward language and insightful

Where To Download

features make the text
readable and engaging.
