This highly collectible, limited-edition pop-up book is a work of art in itself, rendering Daniel Gordon's sculptural forms into a new layer of materiality and animating them in a pop-up performance. The book consists of six works in pop-up form, some featuring simple plants, others unfolding more elaborate tableaux. Inspired by his interest in the popularity of certain subjects on the internet--houseplants among them--Gordon meticulously cuts up pictures found online to create sculptural and fantastical still lifes. He uses photography not to show reality, but to present a new version of it. The crumpled paper and mix of realistic and unnatural colors render the objects slightly goofy. "Without seams and faults and limitations, my project would be very different," Gordon says. "The seamlessness of the ether is boring to me, but the materialization of that ether, I think, can be very interesting." His pieces are a perfect marriage of digital and analog processes and of high and low artistic references, complicating what is understood as sculpture, photography, painting, and the cutout.

NAMED A MOST ANTICIPATED BOOK IN ESSENCE MAGAZINE, THE MILLIONS AND BOOKISH "Don't Cry for Me is a perfect song." Jesmyn Ward A Black father makes amends with his gay son through letters written on his deathbed in this wise and penetrating novel of empathy and forgiveness, for fans of Ta-Nehisi Coates, Robert Jones Jr. and Alice Walker As Jacob lies dying, he begins to write a letter to his only son, Isaac. They have not met or spoken in many years, and there are things that Isaac must know. Stories about his ancestral legacy in rural Arkansas that extend back to slavery. Secrets from Jacob's tumultuous relationship with Isaac's mother and the shame he carries from the dissolution of their family. Tragedies that informed Jacob's role as a father and his reaction to Isaac's being gay. But most of all, Jacob must share with Isaac the unspoken truths that reside in his heart. He must give voice to the trauma that Isaac has inherited. And he must create a space for the two to find peace. With piercing insight and profound empathy, acclaimed author Daniel Black illuminates the lived experiences of Black fathers and queer sons, offering an authentic and ultimately hopeful portrait of reckoning and reconciliation. Spare as it is sweeping, poetic as it is compulsively readable, Don't Cry for Me is a monumental novel about one family grappling with love's hard edges and the unexpected places where hope and healing take flight.

A Good Morning America Buzz Pick, and A Most Anticipated Book of 2022 by BuzzFeed, The Millions, Goodreads, Bustle, BookRiot, and The Nerd Daily "If you've ever felt tempted to keep tabs on a partner's ex on Instagram and then found yourself down a rabbit hole of their vacation posts from three years ago, this debut novel—which follows a 24-year-old New Yorker named Naomi who becomes obsessed with her boyfriend's former girlfriend—is for you." Vogue, "Best New Beach Reads" Twenty-four-year-old New York bookseller Naomi

Ackerman is desperate to write a novel, but struggles to find a story to tell. When, after countless disastrous dates, she meets Caleb—a perfectly nice guy with a Welsh accent and a unique patience for all her quirks—she thinks she's finally stumbled onto a time-honored subject: love. Then Caleb's ex-girlfriend, Rosemary, enters the scene. Upon learning that Rosemary is not safely tucked away in Caleb's homeland overseas, but in fact lives in New York and also works in the literary world, Naomi is threatened and intrigued in equal measure. If they both fell for the same man, what else might they have in common? The more Naomi learns about Rosemary, the more her curiosity consumes her. Before she knows it, her casual Instagram stalking morphs into a friendship under false pretenses—and becomes the subject of her nascent novel. As her lies and half-truths spiral out of control, and fact and fiction become increasingly difficult to untangle, Naomi must decide what—and who—she's willing to sacrifice to write the perfect ending.
