The national bestseller, now available in a non-illustrated, standard format paperback edition The Power of Myth launched an extraordinary resurgence of interest in Joseph Campbell and his work. A preeminent scholar, writer, and teacher, he has had a profound influence on millions of people—including Star Wars creator George Lucas. To Campbell, mythology was the “song of the universe, the music of the spheres.” With Bill Moyers, one of America’s most prominent journalists, as his thoughtful and engaging interviewer, The Power of Myth touches on subjects from modern marriage to virgin births, from Jesus to John Lennon, offering a brilliant combination of intelligence and wit. This extraordinary book reveals how the themes and symbols of ancient narratives continue to bring meaning to birth, death, love, and war. From stories of the gods and goddesses of ancient Greece and Rome to traditions of Buddhism, Hinduism and Christianity, a broad array of themes are considered that together identify the universality of human experience across time and culture. An impeccable match of interviewer and subject, a timeless distillation of Campbell’s work, The Power of Myth continues to exert a profound influence on our culture.

Examines myths and folk tales from around the world in an attempt to understand the symbolism of the hero as it appears in the mythologies and religions of mankind.

Discover Myth "There's no one quite like Joseph Campbell. He knows the vast sweep of man's panoramic past as few men have ever known it." --The Village Voice Joseph Campbell famously compared mythology to a kangaroo pouch for the human mind and spirit: "a womb with a view." In Myths to Live By, he examines all of the ways in which myth supports and guides us, giving our lives meaning. Love and war, science and religion, East and West, inner space and outer space — Campbell shows how the myths we live by can reconcile all of these pairs of opposites and bring a sense of the whole. This classic has been newly illustrated and annotated in its first new edition since its original publication, which also marks the first ebook in the Collected Works of Joseph Campbell series. In the tradition of The Power of Myth and Pathways to Bliss, Myths to Live By remains one of Joseph Campbell's most enduring, popular, and accessible works.

Explore myth as a tool for personal growth and transformation Joseph Campbell famously defined myth as “other people's religion.” But he also said that one of the basic functions of myth is to help each individual through the journey of life, providing a sort of travel guide or map to reach fulfillment — or, as he called it, bliss. For Campbell, many of the world's most powerful myths support the individual's heroic path toward bliss. In Pathways to Bliss, Campbell examines this personal, psychological side of myth. Like his classic best-selling books Myths to Live By and The Power of Myth, Pathways to Bliss draws from Campbell's popular lectures and dialogues, which highlight his remarkable storytelling and ability to apply the larger themes of world mythology to personal growth and the quest for transformation. Here he anchors mythology's symbolic wisdom to the individual, applying the most poetic mythical metaphors to the challenges of our daily lives. Campbell dwells on life's important questions. Combining cross-cultural stories with the teachings of modern psychology, he examines the ways in which our myths shape and enrich our lives and shows how myth can help each of us truly identify and follow our bliss.

Explore the mysteries of the feminine divine Joseph Campbell brought mythology to a mass audience. His bestselling books, including The Power of Myth and The Hero with a Thousand Faces, are the rare blockbusters that are also scholarly classics. While Campbell's work reached wide and deep as he covered the world's great mythological traditions, he never wrote a book on goddesses in world mythology. He did, however, have much to say on the subject. Between 1972 and 1986 he gave over twenty lectures and workshops on goddesses, exploring the figures, functions, symbols, and themes of the feminine divine, following them through their transformations across cultures and epochs. In this provocative volume, editor Safron Rossi—a goddess studies scholar, professor of mythology, and curator of collections at Opus Archives, which holds the Joseph Campbell archival manuscript collection and personal library—collects these lectures for the first time. In them, Campbell traces the evolution of the feminine divine from one Great Goddess to many, from Neolithic Old Europe to the Renaissance. He sheds new light on classical motifs and reveals how the feminine divine symbolizes the archetypal energies of transformation, initiation, and inspiratin.

Joseph Campbell held a unique place in the culture for his ability to bring the healing power of myth and archetype to contemporary audiences. This simple, beautifully designed collection of cards continues that work, helping readers connect to wisdom ancient and modern on a daily basis. Including a built-in pop-up frame for display, Follow Your Bliss contains timeless quotes from a wide range of Campbell's work, divided into four guiding themes from his teachings: The Psychological, The Sociological, The Cosmological, and The Metaphysical. Practical yet provocative, each card features the brushstroke Zen circle that is the imprimatur of The Joseph Campbell Foundation, with a distinct color for each category in the deck. Enclosed in a box with an intricate tapestry border design, Follow Your Bliss is an ideal gift for both the committed seeker and the casual reader looking for simple guidance in a chaotic world.

Contains interviews, lectures, and conversations exploring Campbell's ideas about mythology, religion, psychology, art, and the journey of the hero

"There is no one quite like Joseph Campbell. He knows the vast sweep of man's panoramic past as few men have evern known it." -The Village Voice What is a properly functioning mythology and what are its functions? Can we use myths to help relieve our modern anxiety, or do they help foster it? In Myths to Live by, Joseph Campbell explores the enduring power of the universal myths that influence our lives daily and examines the myth-making process from the primitive past to the immediate present, retuning always to the source from which all mythology springs: the creative imagination. Campbell stresses that the borders dividing the Earth have been shattered; that myths and religions have always followed the certain basic archetypes and are no longer exclusive to a single people, region, or religion. He shows how we must recognize their common denominators and allow this knowledge to be of use in fulfilling human potential everywhere.

This photographically illustrated guide charts Luke Skywalker's "hero's journey" from his farm boy origins to the fulfillment of his quest to become a Jedi Knight. Full color.
