Search by name within a profession: Select a profession. Enter a minimum of 3 characters of the person's name, with the last name first (separated by a space, not a comma). When a last name consists of only two letters, you must also enter a space and at least the first letter of the first name.

Practical Professional Cookery is recognised throughout the English-speaking world as the established source of recipes for both students and professionals. Practical Professional Cookery covers the full range of work from the most basic dishes to those requiring advanced techniques. Each recipe is presented in a stepped, easy-to-follow format. This revised third edition has been updated with the inclusion of more international, particularly Australian, food and terminology.

Covering the full range of work from the most basic dishes to those requiring advanced techniques, each recipe is presented in a logical format. Attention is paid to the cost of materials, sensible eating, hygienic practices and good nutrition. This revised third edition has been updated with the inclusion of more international, particularly Australian, food and terminology.

Considered the established source of recipes for students and professionals. Each recipe, from the most basic dishes to those requiring advanced techniques, is presented in an easy-to-follow format. This edition contains over 2,000 recipes and new chapters on shellfish and potato dishes. Features expanded coverage of ice creams as well as vegetables and sweet dishes. Includes pertinent information on the cost of materials, sensible eating, hygienic practices and good nutrition.

Master culinary skills and prepare for assessment with the book which professional chefs have relied on for over 50 years to match the qualification and support their training and careers. With 460 recipes covering both classic dishes and the latest methods used in real, Michelin-starred kitchens, this book is structured exactly around the units and requirements of the Level 2 Professional Cookery Diploma (VRQ) to make perfecting culinary techniques, meeting the qualification requirements and preparing for assessments easier than ever before. - Break down key techniques with 50 step-by-step photo sequences -hone your presentation skills with photos of each recipe - Test your understanding with questions at the end of each unit - Prepare for assignments, written tests and synoptic assessments with the new assessment section - Access professional demonstration videos with links throughout the book

Trust Practical Cookery: the classic recipe and reference book used to train professional chefs for over 50 years. This 14th edition of Practical Cookery is the must-have resource for every aspiring chef. It will help develop the culinary knowledge, understanding, skills and behaviours in the new Commis Chef (Level 2) apprenticeship standards and prepare apprentices and work-based learners for end-point assessment. It also supports those on NVQ programmes in Professional Cookery or Food Production and Cooking. - Covers the latest preparation, cooking and finishing techniques, as well as the classics every chef should master with over 500 reliable recipes and 1,000 photographs. - Provides clear illustration of how dishes should look with close-up finished shots for every recipe, and clear step-by-step sequences to master techniques. - Ensures learners are fully up to date, with new content on the latest technology within the hospitality sector, up-to-date safe and hygienic working requirements, and new content on costing and yield control. - Helps assess knowledge and understanding with a new 'Know it' feature that will support preparation for professional discussions or knowledge tests. - Allows students to showcase the practical skills required for assessment with new 'Show it' activities. - Encourages apprentices to think about how they have demonstrated professional behaviours with new reflective 'Live it' activities.

This edition has been completely redesigned and updated taking into account the recent trends toward healthy catering and the attractive presentation of food. Lavish, full-color photographs illustrate the stages involved in the preparation of various recipes. Many dishes are depicted in their finished form to give readers an impression of correct presentation and service. This revision features nutritional data for the main recipes. Includes information about different types of foods and the processes of cookery along with hundreds of classic recipes. Many ingredients are given alternatives to comply with the principles of healthy eating.

Trust the classic recipe book and reference for apprentices and work-based learners which the best professional chefs have relied on for over 50 years to match the qualification and prepare them for assessment. Over 600 reliable recipes and 1,000 photographs cover the latest preparation, cooking and finishing techniques as well as the classics every chef should master. Fully updated, this book for Level 2 NVQ Diploma in Professional Cookery or Food Production and Cooking students also covers all of the essential underpinning knowledge for NVQs and the Hospitality and Catering Principles Technical Certificate for apprentices. - See how dishes should look with close-up finished dish shots for every recipe, and follow the clear step-by-step sequences to master techniques - Get guidance on how to meet the evidence requirements, including advice on how to prepare for observations and professional discussions, with the new assessment section - Test your understanding and prepare for professional discussions and knowledge tests with questions at the end of each unit - Access professional demonstration videos with links throughout the book

A core student book tailor-made to support learning for the new Level 3 Diploma in Professional Cookery (VRQ). Retaining the pedigree and reliability of Advanced Practical Cookery, combined with engaging features, this new book is written by expert authors to ensure your students are fully prepared and have everything they need to succeed on level 3 courses in food preparation and cookery. As well as being a perfect match for the Level 3 Diploma in Professional Cookery, this book also supports other qualifications, including NVQs in Food Preparation and Cookery, Kitchen and Larder, and Patisserie and Confectionery.
