and ruthlessly toppled those who displeased them, including Caligula, Nero, Pertinax, and many more. Guy de la B é doy è re provides a compelling first full narrative history of the Praetorians, whose dangerous ambitions ceased only when Constantine permanently disbanded them. de la B é doy è re introduces Praetorians of all echelons, from prefects and messengers to artillery experts and executioners. He explores the delicate position of emperors for whom prestige and guile were the only defenses against bodyguards hungry for power. Folding fascinating details into a broad assessment of the Praetorian era, the author sheds new light on the wielding of power in the greatest of the ancient world ' s empires. “ Any future researcher into the subject will certainly begin here. ” —The Times (London)

“ A lively and up-to-date history of the Praetorian Guard, the anti-coup divisions of the Roman emperors from Augustus to Constantine. De la B é doy è re tells their story with clarity and panache, and his book can be most warmly recommended both to aspiring tyrants and the ordinary armchair historian. ” —The Sunday Times “ Fast paced and engaging. ” —The Sunday Telegraph “ A definitive and highly readable account. ” —Tom Holland, author of Rubicon: The Last Years of the Roman Republic

The figure of Sejanus has fascinated from ancient to more modern times. Sejanus, the emperor Tiberius' infamous Praetorian Prefect, is synonymous with overreaching ambition, murder, conspiracy and betrayal. According to the traditional storyline, this man craved the imperial throne for himself and sought it by isolating the naive emperor in his island pleasure palace on Capri whilst using his control over the Praetorian Guard, coupled with his immense power and influence in Rome, to purge the capital of potential opponents. His victims supposedly included the emperor's son, Drusus, poisoned by his own wife who had been seduced by Sejanus. The emperor, forewarned of Sejanus' ambition, struck first. The Prefect was arrested in the Senate, strangled and his corpse cast down the Gemonian Stairs. Study of Sejanus has generally been overshadowed by focus on Tiberius. John

McHugh makes a fresh appraisal of the sources to offer the first full-length study in English to focus on this highly influential figure and his development of the Praetorian Prefecture.

For more than two centuries over 3,300 years ago Egypt was ruled by the most powerful, successful, and richest dynasty of kings in its long end epic history. They included the female king Hatshepsut, the warrior kings Thutmose III and Amenhotep II, the religious radical Akhenaten and his queen Nefertiti, and most famously of all for the wealth of his tomb the short-lived boy king Tutankhamun. The Climax of Egypt came at enormous cost to Egypt's enemies and most of its people. This was an age of ruthless absolutism, exploitation, extravagance, brutality, and oppression in a culture where not only did Egypt rob its neighbours but Egyptian kings and their people robbed one another. 3,500 years ago ancient Egypt began two centuries in which it became richer and more powerful than any other nation at the time, ruled by the kings of the 18th Dynasty. They presided over a system built on war, oppression, and ruthlessness, pouring Egypt's wealth into grandiose monuments, temples, and extravagant tombs. Tutankhamun was one of the last of the line and one of the most obscure. Among his predecessors were some of the most notorious and enigmatic figures of all of Egypt's history. The Climax of Egypt is their story, showing how the glamour and gold was tainted by selfishness, ostentation, and the systematic exploitation of Egypt's people and enemies.

"Riveting stuff. Through the prism of his experience of the military elite, Fiennes presents a dazzling history of the world's best fighting units to amaze and enthral the reader." Damien Lewis, Bestselling author of *Zero Six Bravo* Inspired by the heroic war time escapades of his father, as well as drawing on his own experiences in the special forces, acclaimed adventurer Sir Ranulph Fiennes thrillingly explores

Read Online Praetorian The Rise And Fall Of Romes Imperial Bodyguard

the history of elite military units, from ancient Sparta to the War on Terror. The best of the best, these elite units have frequently been immortalised on the big screen, and in computer games, for their daring deeds. Whether it be fighting on the battlefield, storming forts and castles, rescuing hostages, high stakes reconnaissance missions or the dramatic assassination of enemy leaders, these are the men who are relied upon to undertake dangerous missions of the highest stakes. While celebrating the heroics of groups such as the SAS and Navy Seals, Sir Ranulph also reveals the true stories of infamous organisations such as The Assassins and Templar Knights. Uncovering their origins, and examining their weapons and tactics, Sir Ranulph showcases these units most famous missions, and reveals the men behind them. Showing incredible courage, often in the face of impossible odds, these units have also changed the course of history along the way. Sir Ranulph discusses the reasons behind their success and failures, with many notorious conflicts often being decided by these elite units facing off against each other, with the victor not only evolving warfare, but also consigning their opponent to history. While these units traditionally prefer to operate in the shadows, Sir Ranulph brings their remarkable histories to the fore, told with his trademark ability to weave a story which has seen him become one of Britain ' s most beloved bestselling authors.

Conceived as a personal army for the emperor, the elite Praetorian Guard soon took over a wide range of powers in Rome, and thus from the very beginning made a much greater impact on the city's life than just as an imperial bodyguard. The Praetorians were in fact inseparable from the whole machinery of state, in some cases even making or breaking individual emperors. Sandra Bingham here offers a timely history of the Guard from its foundation by Augustus in 27 BCE to its disbandment by Constantine in CE 312. Topics covered include arms and insignia; the size, recruitment and command structure of the Guard; duration of service; the duties of individual soldiers and officers; and their families, daily lives and religion.

A captivating popular history that shines a light on the notorious Julio-Claudian women who forged an empire Augustus, Tiberius, Caligula, Claudius, and Nero--these are the names history associates with the early Roman Empire. Yet, not a single one of these emperors was the blood son of his predecessor. In this captivating history, a

Read Online Praetorian The Rise And Fall Of Romes Imperial Bodyguard

prominent scholar of the era documents the Julio-Claudian women whose bloodline, ambition, and ruthlessness made it possible for the emperors' line to continue. Eminent scholar Guy de la B é doy è re, author of Praetorian, asserts that the women behind the scenes--including Livia, Octavia, and the elder and younger Agrippina--were the true backbone of the dynasty. De la B é doy è re draws on the accounts of ancient Roman historians to revisit a familiar time from a completely fresh vantage point. Anyone who enjoys I, Claudius will be fascinated by this study of dynastic power and gender interplay in ancient Rome.

This engaging book is an excellent resource for classes on Roman art, architecture, history, civilization, and sport and spectacle.

Author and historian Tom Holland returns to his roots in Roman history and the audience he cultivated with Rubicon—his masterful, witty, brilliantly researched popular history of the fall of the Roman republic—with Dynasty, a luridly fascinating history of the reign of the first five Roman emperors. Dynasty continues Rubicon's story, opening where that book ended: with the murder of Julius Caesar. This is the period of the first and perhaps greatest Roman Emperors and it's a colorful story of rule and ruination, running from the rise of Augustus through to the death of Nero. Holland's expansive history also has distinct shades of I Claudius, with five wonderfully vivid (and in three cases, thoroughly depraved) Emperors—Augustus, Tiberius, Caligula, Claudius, and Nero—featured, along with numerous fascinating secondary characters. Intrigue, murder, naked ambition and treachery, greed, gluttony, lust, incest, pageantry, decadence—the tale of these five Caesars continues to cast a mesmerizing spell across the millennia.
