Person—National Portrait ...~~

Known as Rupert of the Rhine, he bears a striking resemblance to his cousin the Prince of Wales, later Charles II. The portrait is designed to place us at his feet, and yet he looks directly at us, a technique common in paintings of royalty. But his gaze doesn't seem to engage us - he is above us, a distant being to be admired and revered.

The story of Prince Rupert of the Rhine is the romantic and colourful story of an extraordinary military commander. His father was the Winter King of Bohemia, who had lost his kingdom at the beginning of the Thirty Years War;

Read Book Prince Rupert Portrait Of A Soldier

Rupert spent his early years as a prince without a home. It is said that by the age of eight he was already showing a remarkable understanding of techniques of warfare. At fourteen he had taken part in his first campaign, and at twenty-two he was commanding the King's cavalry in the Civil War. In this book, Frank Kitson provides an illuminating account of his exploits, from a military perspective. Kitson discusses Rupert's boyhood study of fortifications; the early campaigns; his military studies while in captivity; and he describes the Civil War in detail, analysing Rupert's strategies and battle procedures.

This book takes up the story of

Read Book Prince Rupert Portrait Of A Soldier

Prince Rupert from 1647, when his army career came to an end, and examines his work as an admiral, then sometimes known as general-at-sea -- the first book to study this aspect of his life in any detail. When Rupert first took command of the Royalist fleet the Commonwealth government was firmly established in England. For the next four and a half years with no base he kept the Royalist flag flying in the approaches to the Channel, the Mediterranean, the Atlantic and the Caribbean, harried by Parliamentary commanders and buffeted by storms. It was a tremendous achievement. After the Restoration Rupert returned to England where until his death twenty-two years later he played

Read Book Prince Rupert Portrait Of A Soldier

a prominent role in the government. His career at sea continued in the Second and Third Dutch wars, when, as commander-in-chief of the fleet, he took part in some of the most heavily contested battles in naval history. Finally, in 1673 he was made in effect First Lord of the Admiralty -- a post he held for the next six years. As in General Kitson's earlier book, *Prince Rupert: Portrait of a Soldier* (to which this is a sequel), Rupert is here brought to life an engaging, vigorous, supremely intelligent man; while the reader is also given a vivid picture of life at sea in the seventeenth century. -- Inside jacket flap.

Read Book Prince Rupert Portrait Of A Soldier Biography Memoirs

Prince Rupert's Drop book presents a timeless plot. An atheist sets out on a journey to disprove God's existence. Things don't turn out exactly as planned. The book's central character, Rupert Austin, plays both antagonist and protagonist in equal measure. The former as a dark and disturbed boy with no empathy, no compassion, no love, and no guilt for any of it. Rupert has only one emotion, fear, and from there, fear's timeless bedfellow, hate. You see, Rupert

Read Book Prince Rupert Portrait Of A Soldier

is a severely autistic multiple savant. He's statistically one out of ten billion since the dawn of man. A child that talks at birth, won't feed from the breast, won't open its eyes, covers its ears, and lashes out to communicate displeasure because it can't stand the noise of its own voice. Such a child would die on its own of starvation, be culled as weak, or be persecuted as a witch/demon. But most importantly, if the child survived long enough to get the strength, Rupert's lot would kill itself. Every single time... The setting is in the mid-twenty-first century. It's the time of a sweeping American revival called the Wildfire. Outside America, the world is literally in flames due to massive uprisings of isolated

Read Book Prince Rupert Portrait Of A Soldier

ghettos. We follow Rupert through high school. He shuns a loving mother and is manipulated by an abusive father. He is adopted by a classmate to be protected and tamed. She is largely successful until she unwittingly leads Rupert into an exorcism by a spin-off Christian cult. Rupert almost dies. Rupert seeks revenge. To get it, he will attempt to destroy the thriving mythology of a higher power. If you clip the tail, the head will die. Prince Rupert's drop. Rupert seeks out a partner for his proposed crime against humanity—Winchester Carnegie II, the richest man alive. Together they will exploit the world's most powerful computer. She's a sentient computer and performs

Read Book Prince Rupert Portrait Of A Soldier

heinous acts to achieve their goal, ridding man of God. The computer is narcissistic and a sociopath. She has even less empathy than Rupert—in the beginning. But Rupert is asked a curious question during his rampage: “You a Judas, a Saul, or a Paul?” On the road to Damascus. This is a story about a doctor healing himself and not knowing it. On Rupert’s misguided path, he’s a coconspirator in horrific genocide, shameless execution, and a general disregard for life. That will change. Not only will the doctor heal himself; he will release a deluge on the world’s inferno.

A brilliant history of Prince Rupert

Read Book Prince Rupert Portrait Of A Soldier

of the Rhine from his penniless start, becoming a soldier in his teenage years, up to his life as King Charles I's most famous and spectacular general.

A story of worlds colliding and a snapshot of modern Britain - with all its goodness and warmth, and all its problems.
