Making passive income can often mean putting in effort up front into a venture, and hoping to sit back and relax and watch the money roll in. Often from our experience we've found that even once the top is spinning it still needs some care and attention to ensure the business, or the venture maintains and continues to work. That was the case until we found that creating an Etsy store which sells only downloadable products to be a completely passive way to create income. In this guide we're going to show you the step-by-step process we took in order to create a fully passive, income generating, Etsy store. We started with a fresh slate to write this | we are going to open a store from scratch and go through each step of the process along the way. We did this as a documentation of the journey, and who knows, maybe another passive income store on Etsy!

Get up to speed on Microsoft Project 2013 and learn how to manage projects large and small.
