adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective.

Not long ago project management was perceived as a highly technical endeavor with applications to highly specialized

Download File

PDF Project

industries. Times have changed and so have the collective perceptions about project management.

Today project management skills are applied throughout a wide range of businesses and industries.

Successful project managers are defined now not only by their

Download File

PDF Project

skill in dealing with issues of planning, scheduling, and budgeting, but also by their ability to manage people. Clifford Gray and Erik Larson, both of Oregon State University, are aware of this evolution and have used the Third Edition of Project Management: The Managerial Process

Download File

PDF Project

to address these shifts. This highly-qualified author team provides readers with a complete picture of project management. Technical issues are addressed thoroughly, but unlike similar books on this subject, Project Management: The Managerial Process presents them in context,

Download File

PDF Project

demonstrating how project management techniques can be applied in a wide variety of businesses, while emphasizing the importance of accounting for the human element in the successful management of all types of projects. Case studies and "Snapshot from

Download File

PDF Project

"Practice" boxes are among the ways readers learn throughout this text. A pedagogically rich CD-ROM, and a second CD-ROM containing a trial version of Microsoft Project, are also available with all new copies of this text. Once again, the authors have succeeded in
