The International Bestseller "This book blew my mind. More importantly, it made financial independence seem achievable. I read Financial Freedom three times, cover-to-cover." –Lifehacker Money is unlimited. Time is not. Become financially independent as fast as possible. In 2010, 24-year old Grant Sabatier woke up to find he had \$2.26 in his bank account. Five years later, he had a net worth of over \$1.25 million, and CNBC began calling him "the Millennial Millionaire." By age 30, he had reached financial independence. Along the way he uncovered that most of the accepted wisdom about money, work, and retirement is either incorrect, incomplete, or so old-school it's obsolete. Financial Freedom is a step-by-step path to make more money in less time, so you have more time for the things you love. It challenges the accepted narrative of spending decades working a traditional 9 to 5 job, pinching pennies, and finally earning the right to retirement at age 65, and instead offers readers an alternative: forget everything you've ever learned about money so that you can actually live the life you want. Sabatier offers surprising, counter-intuitive advice on topics such as how to:

- \* Create profitable side hustles that you can turn into passive income streams or full-time businesses
- \* Save money without giving up what makes you happy
- \* Negotiate more out of your employer than you thought possible
- \* Travel the world for less
- \* Live for free--or better yet, make money on your living situation
- \* Create a simple, money-making portfolio that only needs minor adjustments
- \* Think creatively--there are so many ways to make money, but we don't see them.

But most importantly, Sabatier highlights that, while one's ability to make money is limitless, one's time is not. There's also a limit to how much you can save, but not to how much money you can make. No one should spend precious years working at a job they

dislike or worrying about how to make ends meet. Perhaps the biggest surprise: You need less money to "retire" at age 30 than you do at age 65. Financial Freedom is not merely a laundry list of advice to follow to get rich quick--it's a practical roadmap to living life on one's own terms, as soon as possible.

More people write for The Associated Press than for any newspaper in the world, and writers-nearly two million of them-have bought more copies of The AP Stylebook than of any other journalism reference. It provides facts and references for reporters, and defines usage, spelling, and grammar for editors. There are separate sections for journalists specializing in sports and business, and complete guidelines for how to write photo captions, file copy over the wire, proofread text, handle copyrights, and avoid libel. This edition of The AP Stylebook keeps pace with world events, common usage, and AP procedures.

Turn your knack for language into a lucrative career Must-know techniques and resources for maximizing your accuracy and speed Interested in becoming a copyeditor or proofreader? Want to know more about what each job entails? This friendly guide helps you position yourself for success. Polish your skills, build a winning résumé and land the job you've always wanted. Books, magazines, Web sites, corporate documents - find out how to improve any type of publication and make yourself indispensable to writers, editors, and your boss. Balance between style and rules Master the art of the query Use proofreader symbols Edit and proof electronic documents Build a solid freelancing career

This book on doctoral writing offers a refreshingly new approach to help Ph.D. students and their supervisors overcome the host of writing challenges that can make—or break—the dissertation process. The book's unique contribution to the field of doctoral writing is its style of reflection on ongoing, lived practice; this is more readable than a simple how-to book, making it a welcome resource to support doctoral writing. The experiences and practices of research writing are explored through bite-sized vignettes, stories, and actionable 'teachable' accounts. Doctoral Writing: Practices, Processes and Pleasures has its origins in a highly successful academic blog with an international following. Inspired by the popularity of the blog (which had more than 14,800 followers as of October 2019) and a desire to make our six years' worth of posts more accessible, this book has been authored, reworked, and curated by the three editors of the blog and reconceived as a conveniently structured book.

This is a guide to freelance proofreading and copy-editing, with examples of proof correction marks and exercises with corrections supplied.

Expert advice to perfect your proofreading skills McGraw-Hill's Proofreading Handbook helps ensure that your documents are letter-perfect, every time. Veteran editor and proofreader Laura Anderson arms you with all the tools of the proofreader's trade and walks you step-by-step through the entire proofreading process.

The rapid evolution of technology continuously changes the way people interact, work, and learn. By examining these advances from a sociological perspective, researchers can further understand the impact of cyberspace on human behavior, interaction, and cognition. *Multigenerational Online Behavior and Media Use: Concepts, Methodologies, Tools, and Applications* is a vital reference source covering the impact of social networking platforms on a variety of relationships, including those between individuals, governments, citizens, businesses, and consumers. The publication also highlights the negative behavioral, physical, and mental effects of increased online usage and screen time such as mental health issues, internet addiction, and body image. Showcasing a range of topics including online dating, smartphone dependency, and cyberbullying, this multi-volume book is ideally designed for sociologists, psychologists, computer scientists, engineers, communication specialists, academicians, researchers, and graduate-level students seeking current research on media usage and its behavioral effects.

Packed with customizable editing tools--this practical, up-to-date reference includes the latest on writing and editing online The McGraw-Hill Desk Reference for Editors, Writers, and Proofreaders is an indispensable resource for writers, editors, proofreaders, and virtually everyone responsible for crafting clear, polished writing. Ideal for professionals and novices alike, it guides you through the entire proofreading and editing process and features a CD-ROM with more than 25 interactive tools and checklists. This all-in-one package offers style sheet templates, a list of editor's symbols, comprehensive editing and proofreading checklists, and guides to commonly misspelled and confused words. It also presents advice on electronically editing and proofreading for the Web.

This fiction-editing guide shows authors and editors how to recognize shown and told prose, and avoid unnecessary exposition. Louise Harnby, a fiction editor, writer and course developer, teaches you how to identify stylistic problems and craft solutions that weave showing and telling together, and understand why there's no place for 'don't tell' in strong writing. Topics include: Shown and told prose in different scenarios; the relevance of viewpoint; when exposition serves story and deepens character; and tools that help writers add texture.
