Queen of the Darkness is the culmination of the Black Jewels trilogy (though there are more books in the series, they're mostly standalone), and the best (by a hair). Jaenelle and Daemon are finally reunited and must face the final confrontation against the tainted Blood. This is such a wonderful series.

Jaenelle reigns as Queen of Ebon Askavi only as long as she can stave off her enemies, but she cannot do this without help from her consort, Daemon, whose love will help to secure her power, but his love might not be enough

In the astonishing conclusion of Anne Bishop ' s Black Jewels Trilogy, the Dark Court has been formed and the end—for some—draws exceedingly near... Jaenelle Angelline now reigns as Queen—protector of the Shadow Realm. No longer will the corrupt Blood slaughter her people and defile her lands. But where one chapter ends, a final, unseen battle remains to be written, and Jaenelle must unleash the terrible power that is Witch to destroy her enemies once and for all. Even so, she cannot stand alone. Somewhere, long lost in madness, is Daemon, her promised Consort. Only his unyielding love can complete her Court and secure her reign. Yet, even together, their strength may not be enough to hold back the most malevolent of forces. And in the end, under the emergent shadow of evil and unforeseen betrayal, only Jaenelle ' s greatest sacrifice will save those she loves—and the realm she ' s bound to protect...

the Blood has ruled the territories for millennia. Magic-gifted humans and animals, the strongest of them can travel through gates, compel others to their will, heal wounds or kill. Jaenelle Angelline, a young witch, is one of the rare queens, gifted with both unusual power and a sense of justice. Ancient prophecies and new hopes put her between the ruthless plots of other queens and those who have flocked to Jaenelle for protection. However, the Blood has become tainted with cruelty and power lust, and in the looming war Jaenelle's victory may destroy her people more thoroughly than a loss.
