Quilling is a centuries-old art, which requires just three elements - your fingers, paper strips and glue. This practical guide demonstrates the techniques with step-by-step instructions and photos, and explains the best way to develop your skills and thereby push the creative boundaries of this art. Written by a passionate paper artist, it is a comprehensive guide that will inspire both novice and experienced quillers, as well as mixed media artists wishing to explore the potential of paper filigree work. Projects covered within this book include making vortex coils, pixie-hood loops, huskings, multi-strip open coils, fringed flowers, ring coil tracery patterns, folded ring coils and rolling a perfect spiral-centred coil without the need for a quilling tool. There is also advice on forming letters and abstract shapes with quilling and building 3D models from solid coils. It is beautifully illustrated with 173 colour images. Philippa Reid is a fully Accredited Fellow of the Quilling Guild and edits both the Guild's magazine and blog.

Announcing the biggest, best, most innovative book ever on paper craft. Even better, this is not about how to use costly, artsy paper, but how to turn stuff around the house—magazines and shopping bags, candy wrappers and paint sample cards, wrapping paper, old maps, and paper towel tubes—into stunning jewelry, gifts, home decor, party

favours, and much more. Chances are you've seen the author's cutting-edge work in the windows of Anthropologie, where she is the chain's merchandising manager. An inveterate crafter who creates projects and styles photo shoots for magazines like Parents and Vogue Knitting, Kayte Terry takes the most versatile of materials and the most basic of crafts (remember snipping valentines out of construction paper?), and creates something completely transformative. Turn a sheaf of any white or graph paper into an amazing Scrap Happy Globe Lantern for the dining room. Fashion colored tissue paper into Songbird Votives, leftover raffle tickets into a Prizewinning Bowl, that out-dated pile of holiday catalogs into a picture frame. There's a necklace made of playing cards, a gum wrapper bracelet, and barrettes made by quilling—a paper technique that goes back to the Renaissance. Every project is photographed in full color, and includes step-by-step illustrations and instructions. Truly a book that shows how to think outside the (cardboard) box.
