This book offers a new type of working tool for Cartesian studies. It presents the literature of the last 160 years in alphabetical order (Part Two), combined with a systematic analytical survey (Part One) and a detailed topical index to the whole (Part Three). This organization makes it possible to turn bibliography from a repository of references into a workshop of research. The systematic survey of Part One and the topical index of Part Three, together, offer a *mise au point* of Descartes studies over their full historical and topical range. The man who wants to light my darkness and already paid the price for loving me. The man who can handle my power and loves every dark inch of me. The man who has been my closest companion and now threatens to upend our carefully balanced world in pursuit of me. But the fourth man is probably the most terrifying. He wants to take the others away. He wants to tear the spinal column out my empire. Destroy my businesses. Destroy me. Why? Because the man who should have stayed dead wants me and he will stop at nothing until he's carved out my bloody, beating heart and left me broken. He should remember who he's dealing with...I'm not the girl he knew anymore. I'm Hades. This time when death comes for him,
