Anyone have a drawing or instructions for the screws to remove the fairing. I'm looking to get access all the way down to the speaker area. My plan is to connect to add an amp and mp3 player. It would be nice not to have to remove unnecessary screws in the process. ;) TIA.

free of the tank, it can be manipulated off the bike.

Riding motorcycles is fun, but author Ken Condon maintains that there is a state of consciousness to be achieved beyond the simple pleasure of riding down the road. Riding in the Zone helps riders find that state of being. It's the experience of being physically and mentally present in the moment, where every sense is sharply attuned to the ride. Your mind becomes silent to the chatter of daily life, and everyday problems seem to dissolve. You feel a deeper appreciation for life. Your body responds to this state of being with precise, fluid movements, you feel in balance, your muscles are

relaxed, and it seems as though every input you make is an expression of mastery. This is "the Zone." Condon identifies all of the factors that affect entering the Zone and addresses each one individually, from the development of awareness and mental skills to mastering physical control of the motorcycle. At the end of each chapter are drills designed to transform the book's ideas into solid, practical riding skills. Riding in the Zone takes riders to the next level in their skill set.

Popular motorcycle journalist and author Mark Zimmerman brings a comfortable, conversational tone to his easy-to-understand explanations of how motorcycles work and how to maintain them and fix them when they don't. This practical

challenges we face. In both the selection of pieces and in the contemporary design, the emphasis is on pausing - on stopping readers in their tracks and offering new ways of perceiving and connecting with each other. The book features an exciting range of commentators with great public profile, such as comedians Shazia Mirza and Paul Kerensa and ex-Communard Richard Coles, with a Foreword by the show's presenters, Chris Evans and Vanessa Feltz. Each of the book's seven chapters has a theme, reinforcing the overall inspirational and positive message of the book: Live Boldly, Challenge Perceptions, Understand, Connect, Love, Be Thankful, Let Go. A superb gift as well as an inspiring self-purchase.

For men and women who have the will to service their own bikes and lack only the know-how, this book has it all: basic, easy-to-use information about repairing and maintaining

Read Book R1200rt Fairing Removal

pushrod V-twin motorcycles from someone who really knows the nuts and bolts. Sara Liberte's primer begins with the fundamentals-from wheel size and tire pressure to knowing your shop manual and the tools you'll need-then moves on to the basics of maintenance. Changing oil and other fluids, replacing gaskets, gauging normal wear and tear, inspecting chains and belts and adjusting tension: these are just a few of the topics Liberte covers in complete and clear detail. She also discusses the charging system, battery charging, terminal maintenance, and simple wiring techniques-and, critically, troubleshooting, whether on the road or at the shop.
