Rahul Dravid - a tale of perseverance January 10, 2020 Rahul Dravid, born January 11, 1973, is one of the greatest batsmen to be produced by India, the fulcrum around which Indian batting revolved during the decade and a half when his name was constant at number three on the scoreboard.

Rahul Dravid - a tale of perseverance - CricketMash

Rahul Dravid was probably one of the last classical Test match batsmen. The lynchpin of India’s Test match side through the 2000s, he combined technical virtuosity with a legendary work ethic and near-yogic powers of concentration, and epitomised an old-school guts-before-glory approach in an age increasingly defined by flashy strokeplay and low attention spans.

The Nice Guy who finished first is a remarkable story of Rahul Dravid’s illustrious career in international cricket that commenced in 1996 and continues to flourish nine years later. It tells the tale of a young man who has succeeded in his chosen profession through an ardent faith in the three ‘D’s of dedication, discipline and determination. The biography reconstructs the incidents and events that have contributed to making Rahul Dravid one of the greatest cricketers to have played the game, and an epitome of grace, humility and commitment to his team’s cause. It is a tribute to a role model who has refused to rest on his laurels, and remains an intense in his quest for perfection as he was when he started out. Rahul Dravid’s moments of triumph are described, as also his trials and tribulations. The book, narrates the epic battle, one that he eventually won, to break freed of the stereotypes that haunted him in his early years at the international level. His efforts to emerge from the intimidating shadows cast by his teammates and contemporaries are illustrated in great detail. The book highlights the physical, mental and of course, technical attributes that have elevated Rahul to legendary status. In this honest endeavour to recount the story of Rahul Dravid, the author is assisted by reminiscences from his mentors, seniors, teammates and even opponents, all of whom witnessed the making of a cricketing legend from close quarters. Then, there are the photographs, some of the best ever, which showcase, quite literally, the genius of one of India’s all-time greats. It is an engaging, absorbing and succinct read.

Rahul Dravid - Home | Facebook

The first Indian to score five double centuries in Test Cricket, each of those scores higher than the previous one; the first Indian to score centuries in four consecutive Test innings; the first non-wicketkeeper in Test history to take 200 catches; the first batsman in Test history to score a century in every Test-playing nation of his time; one of the greatest match-winners of all time, and now, the coach of the Indian Under-19 team which won the World Cup!

Believe, Sachin Tendulkar told him - and he took it to heart, getting the word etched on his arm as a tattoo. In this book, Suresh Raina takes us through the challenges he faced as a young cricketer. He was bullied in school and at cricket camps, but he always punched above his weight, overcoming every adversity life threw at him and never giving up. This is the story of the lessons he learnt and the friendships he built. Peppered with invaluable insights - about the game and about life - that Raina acquired from senior colleagues like M.S. Dhoni, Rahul Dravid, Anil Kumble, Sachin Tendulkar and Sourav Ganguly, among others, this book will make you believe in the power of hard work, love, luck, hope and camaraderie. It is a journey through the highs and lows in the cricketing career of a man who saw his world fall apart and yet became one of the most influential white-ball cricketers India has ever seen.

A stylish batsman who could score against any kind of bowling, VVS Laxman played over a hundred Tests to aggregate more than 8,000 runs. Cricket fans still remember with awe his game-changing knock of 281 against Australia in 2001 at Eden Gardens. But playing for India was never easy. He was dropped as often as he was picked, and despite his vast experience and unimpeachable skill, he never made it to a World Cup team. All through his playing years, Laxman was known to be a soft-spoken man who kept his distance from controversy. Which is what makes this autobiography truly special. It’s candid and reflective, happy and sad by turns, and deeply insightful. He writes of dressing-room meltdowns and champagne evenings, the exhilaration of playing with and against the best in the world, the nuances of batting in different formats and on various pitches, the learnings with John Wright and the rocky times under Greg Chappell. In 281 and Beyond, Laxman lays bare the ecstasy and the trauma of being one of the chosen XI in a country that is devoted to cricket.

When Ramachandra Guha began following the game in the early 1960s, India was utterly marginal to the world of cricket: the country still hadn't won a Test match overseas; by the time he joined the Board of Control for Cricket in India, fifty years later, India had become world cricket's sole superpower. The Commonwealth of Cricket is a first-person account of this astonishing transformation. The book traces the entire arc of cricket in India, across all levels at which the game is played: school, college, club, state, country. It presents vivid portraits of local heroes, provincial icons, and international stars. Cast as a work of literature, The Commonwealth of Cricket is keenly informed by the author's scholarly training, the stories and sketches narrated against a wider canvas of social and historical change. The book blends memoir, anecdote, reportage and political critique, providing a rich, insightful and rivetingly readable account of this greatest of games as played in the country that has most energetically made this sport its own.

The greatest run-scorer in the history of cricket, Sachin Tendulkar retired in 2013 after an astonishing 24 years at the top. The most celebrated Indian cricketer of all time, he received the Bharat Ratna Award - India's highest civilian honour - on the day of his retirement. Now Sachin Tendulkar tells his own remarkable story - from his first Test cap at the age of 16 to his 100th international century and the emotional final farewell that brought his country to a standstill. When a boisterous Mumbai youngster's excess energies were channelled into cricket, the result was record-breaking schoolboy batting exploits that launched the career of a cricketing phenomenon. Before long Sachin Tendulkar was the cornerstone of India's batting line-up, his every move watched by a cricket-mad nation's devoted followers. Never has a cricketer been burdened with so many expectations; never has a cricketer performed at such a high level for so long and with such style - scoring more runs and making more centuries than any other player, in both Tests and one-day games. And perhaps only one cricketer could have brought together a shocked nation by defiantly scoring a Test century shortly after terrorist attacks rocked Mumbai. His many achievements with India include winning the World Cup and topping the world Test rankings. Yet he has also known his fair share of frustration and failure - from injuries and early World Cup exits to stinging criticism from the press, especially during his unhappy tenure as captain. Despite his celebrity status, Sachin Tendulkar has always remained a very private man, devoted to his family and his country. Now, for the first time, he provides a fascinating insight into his personal life and gives a frank and revealing account of a sporting life like no other.

Cricket Drona takes us through the life of cricketing genius Vasoo Paranjape, who left a defining impact on the game, shaping the careers of some of Indian cricket's greatest figures, from Sunil Gavaskar to Sachin Tendulkar, from Rahul Dravid to Rohit Sharma. This book is a first-hand chronicle of stories, life lessons and game-changing experiences, written in the words of those who were lucky enough to have crossed paths with Paranjape at just the right time in their careers. For generations of cricketers across India, and even for some in other parts of the world, Paranjape has been an inspiration, a mentor, friend and guide. Peel back the layers and get to the core of a life that nurtured and nourished generations of India's best cricketing talent.

THE SUNDAY TIMES BESTSELLER 'Outrageous, audacious, jaw-dropping' SUNDAY TIMES 'An essential read' DAILY MAIL 'Utterly captivating' DAILY TELEGRAPH 'Hugely entertaining' GUARDIAN The fascinating life story of professional cricketer Kevin Pietersen, MBE, from his childhood in South Africa to his experiences as one of the leading lights in the world of international cricket. Kevin was dropped from the England squad in February 2014, seemingly calling time on an international career that began nearly ten years earlier. The decision puzzled many observers - although the England team had failed miserably in the Ashes tour of 2013-14, Kevin was the tourists' leading run scorer across the series, and he remains the country's highest run scorer of all time across all formats of the game. Kevin reveals all in his autobiography, telling the stories behind the many other highs and lows of his incredible career. Giving readers the full story of his life, from his childhood in South Africa to his experiences as one of the leading lights in the world of international cricket, KP is an autobiography that entertains and fascinates readers in equal measure.

Written with the passion of a fan and knowledge of a cricketer, Mid-Wicket Tales: From Trumper to Tendulkar is for all genuine lovers of cricket from every cricketing nation. It celebrates cricket in all its hues and brings alive the rich history, romance and technical nuances of the game, where diligent research and analysis is blended with rare and interesting anecdotes. Even as the essays reflect the authors’ passion for the game, there is a perspective, balance and tolerant objectivity right through the book. Thus, if they lavish praise on Rahul dravid for his batting or the wondrous all-round skills of Garry Sobers or the incomparable slip catching of Bobby Simpson, they also admire the less successful test cricketers, for there are just a few thousand test players in 137 years of international cricket. It is the sort of book one can reach out and spend 30 minutes on any number of occasions, just like meeting old friends.
