The First Edition Rare Books | Rare Books by Notable People

For the most part, the first edition of a book is more meaningful to the world of book collectors than it was to the publisher who printed it. That's because the first printing only represents a portion of the total number of copies of a book that the publisher hopes to sell.

How to Identify a First Edition Book - 1st Editions

The first time a publisher releases a new book, all copies of that book printed without major changes can be considered a first edition book. If the initial print run - known as the 'first printing' or 'first impression'- sells out and the publisher decides to produce a subsequent printing with the same typeset, books from that second print run can be described as a first edition, second printing.

When a movie crew lands on an unknown island, Ann Darrow, the leading lady, is kidnapped as an offering to the giant ape, King Kong

Experience a taste of one of the English language’s foremost writers of the 20th century. Originally published in 1923, Ernest Hemingway’s Three Stories and Ten Poems feature some of the expatriate’s lesser known, but still wonderful, works. The stories and poems include: “Up in Michigan” “Out of Season” “My Old Man” “Chapter Heading” “Montparnasse” “Roosevelt” And more! Originally privately published in Paris, Three Stories and Ten Poems holds an interesting history. The three stories “Up in Michigan,” “Out of Season,” and “My Old Man” were first seen in this collection, but “Up in Michigan” was banned and not considered publishable in America until 1938 because of its blatant sexuality. In addition, this original publication of the three stories is all that remains of Hemingway’s early works after his suitcase containing the originals was stolen.

Acclaimed writer and editor Robert Silverberg gathered eleven of the finest writers in Fantasy to contribute to this collection of short novels. Each of the writers was asked to write a new story based on one of his or her most famous series: from Stephen King's opening piece set in his popular Gunslinger universe to Robert Jordan's early look at his famed Wheel of Time saga, these stories are exceptionally well written and universally well told. The authors include King, Jordan, and Silverberg himself, as well as Terry and Lyn Pratchett, Terry Goodkind, Orson Scott Card, Ursula K. Le Guin, Tad Williams, George R.R. Martin, Anne McCaffrey, and Raymond E. Feist. At the Publisher’s request, this title is being sold without Digital Rights Management Software (DRM) applied.

Truman Capote’s first novel is a story of almost supernatural intensity and inventiveness, an audacious foray into the mind of a sensitive boy as he seeks out the grown-up enigmas of love and death in the ghostly landscape of the deep South. At the age of twelve, Joel Knox is summoned to meet the father who abandoned him at birth. But when Joel arrives at the decaying mansion in Skully’s Landing, his father is nowhere in sight. What he finds instead is a sullen stepmother who delights in killing birds; an uncle with the face—and heart—of a debauched child; and a fearsome little girl named Idabel who may offer him the closest thing he has ever known to love.

This sweeping novel from the New York Times bestselling author of A Long Petal of the Sea tells the epic story of Violeta Del Valle, a woman whose life spans one hundred years and bears witness to the greatest upheavals of the twentieth century. ONE OF THE MOST ANTICIPATED BOOKS OF 2022–Oprah Daily, The Washington Post, Business Insider, Marie Claire, Bustle, Ms. magazine, PopSugar, The Week, Electric Lit, The Millions, She Reads, Lit Hub, Book Riot Violeta comes into the world on a stormy day in 1920, the first girl in a family with five boisterous sons. From the start, her life is marked by extraordinary events, for the ripples of the Great War are still being felt, even as the Spanish flu arrives on the shores of her South American homeland almost at the moment of her birth. Through her father’s prescience, the family will come through that crisis unscathed, only to face a new one as the Great Depression transforms the genteel city life she has known. Her family loses everything and is forced to retreat to a wild and beautiful but remote part of the country. There, she will come of age, and her first suitor will come calling. She tells her story in the form of a letter to someone she loves above all others, recounting times of devastating heartbreak and passionate affairs, poverty and wealth, terrible loss and immense joy. Her life is shaped by some of the most important events of history: the fight for women’s rights, the rise and fall of tyrants, and ultimately not one, but two pandemics. Through the eyes of a woman whose unforgettable passion, determination, and sense of humor carry her through a lifetime of upheaval, Isabel Allende once more brings us an epic that is both fiercely inspiring and deeply emotional.
