The first published account and standard reference for the history of the Yoruba people of Nigeria, first published in 1921.

This book offers a thematic study of key

debates in the history of the ethnic politics, democratic governance, and minority rights in Nigeria. Nigeria provides a framework for examining the central paradox in post-colonial nation building projects in Africa – the tension between majority rule and minority rights. The liberal democratic model on which most

African states were founded at independence from colonial rule, and to which they continue to aspire, is founded on majority rule. It is also founded on the protection of the rights of minority groups to political participation, social inclusion and economic resources. Maintaining this tenuous balance between majority rule

and minority rights has, in the decades since independence, become the key national question in many African countries, perhaps none more so than Nigeria. This volume explores these issues, focusing on four key themes as they relate to minority rights in Nigeria: ethnic and religious identities, nationalism and

federalism, political crises and armed conflicts.

This book explores the politics of artistic creativity, examining how black artists in Africa and the diaspora create art as a procedure of self-making. Essays cross continents to uncover the efflorescence of

black culture in national and global contexts and in literature, film, performance, music, and visual art. Contributors place the concerns of black artists and their works within national and transnational conversations on anti-black racism, xenophobia, ethnocentrism, migration, resettlement, resistance, and

transnational feminisms. Does art by the subaltern fulfill the liberatory potential that critics have ascribed to it? What other possibilities does political art offer?

Together, these essays sort through the aesthetics of daily life to build a thesis that reflects the desire of black artists and cultures to remake themselves and their

daughter ” of Chinua Achebe. Now, in her masterly, haunting new novel, she recreates a seminal moment in modern African history: Biafra ’ s impassioned struggle to establish an independent republic in Nigeria during the 1960s. With the effortless grace of a natural storyteller, Adichie weaves together the lives of five

characters caught up in the extraordinary tumult of the decade. Fifteen-year-old Ugwu is houseboy to Odenigbo, a university professor who sends him to school, and in whose living room Ugwu hears voices full of revolutionary zeal. Odenigbo ' s beautiful mistress, Olanna, a sociology teacher, is running away from

her parents' world of wealth and excess; Kainene, her urbane twin, is taking over their father's business; and Kainene's English lover, Richard, forms a bridge between their two worlds. As we follow these intertwined lives through a military coup, the Biafran secession and the subsequent war, Adichie brilliantly evokes
