comprehension and production. Teachers are guided in selecting words for instruction; developing student-friendly explanations of new words; creating meaningful learning activities; and getting students involved in thinking about, using, and noticing new words both within and outside the classroom. Many concrete examples, sample classroom dialogues, and exercises for teachers bring the material to life. Helpful appendices include suggestions for trade books that help children enlarge their vocabulary and/or have fun with different aspects of words"--

school day using multisensory instruction that includes music, art, literature, movement, games, drama, writing, test-taking skills, and technology. Along the way, they turn every student into a lover of language. With support from literacy specialist Brenda Overturf, Leslie and Margot have developed a five-part plan--introducing new words in context, adding related synonyms and antonyms, engaging students in several days of active learning, celebrating new words, and assessing vocabulary development--that teaches all students to learn and love vocabulary. This easy-to-read reference explains how to plan, teach, and assess based on the latest research in vocabulary instruction and learning. Forget copying
