Great author/ teacher. This is a great book to keep in your library if you are on the path to Wicca...you will need this book, plus 2 of her other books: *The Real Witches' Coven*, and, of course, my favorite, "*The Real Witches' Handbook*". If you have these 3 books, you are well on your way.

A Book of 30 Spells Do you need a boost of self-esteem? Do you want more luck or financial success? Are you looking to add more magic into your life? Then this book is for you. This book will not only give you the spells that you need, but you'll find that it also gives you the reasons behind the ingredients and the best time to perform them. Most of the spells in this book will not require a lot of ingredients, but with witchcraft it is important to realize that the less ingredients you use, the more energy it will need. If you have a spell with more ingredients, it is a more basic spell, and you'll find basic spells in this book as well. You'll find Spells For: - Finding Love - Increasing Beauty - Job Applications - Seven Days of Luck - Banishing Negative Energy - Cleansing & Purifying Items - Protection Against Spirits & Curses - Better Dreams - And Much, Much More! This book will help you to start casting spells with the right ingredients at the right time. There's no guess work. It's all about your power, your desires, and your needs.

This book combines the powerful, seductive allure of casting real spells with pragmatic, down-to-earth, do-it-yourself guidance.

This work aims to tell you all you need to know about how to start and run a coven (a meeting of witches). If you've read a general introduction to the Craft and immediately want to start a coven now, then this book should be able to help.
