historical and political events, and thrilling mysteries. Still selling over 100,000 copies every year in the UK and having been adapted for the silver screen by Steven Spielberg and Peter Jackson in 2011. The Adventures of Tintin continue to charm more than 80 years after they first found their way into publication. Since then an estimated 230 million copies have been sold, proving that comic books have the same power to entertain children and adults in the 21st century as they did in the early 20th.

Tintin the boy reporter is sent to Soviet Russia with his dog, Snowy, to report on the economy and the activities of the police.

In *The Castafiore Emerald* (1963), all the characters from the series gather in Marlinspike Hall for a real comedy classic behind closed doors. Resolutely turning his back on the adventure genre, Hergé concentrates on describing the difficulties of communication between human beings. This is the "anti-adventure", full of misunderstandings, a comedy of errors.
