The Reluctant Fundamentalist joins the list of what has already proven a rather fertile genre that should prove to become only more and more fertile as time moves on and sensitivities become less delicate. The central event of the story is the attack of September 11, 2001, although it would not be accurate to suggest that the novel is about 9/11.

From the author of the award-winning Moth Smoke comes a perspective on love, prejudice, and the war on terror that has never been seen in North American literature.

At a café table in Lahore, a bearded Pakistani man converses with a suspicious, and possibly armed, American stranger. As dusk deepens to night, he begins the tale that has brought them to this fateful meeting. . . . Changez is living an immigrant’s dream of America. At the top of his class at Princeton, he is snapped up by Underwood Samson, an elite firm that specializes in the “valuation” of companies ripe for acquisition. He thrives on the energy of New York and the intensity of his work, and his infatuation with regal Erica promises entrance into Manhattan society at the same exalted level once occupied by his own family back in Lahore. For a time, it seems as though nothing will stand in the way of Changez’s meteoric rise to personal and professional success. But in the wake of September 11, he finds his position in his adopted city suddenly overturned, and his budding relationship with Erica eclipsed by the reawakened ghosts of her past. And Changez’s own identity is in seismic shift as well, unearthing allegiances more fundamental than money, power, and perhaps even love. Elegant and compelling, Mohsin Hamid’s second novel is a devastating exploration of our divided and yet ultimately indivisible world. “Excuse me, sir, but may I be of assistance? Ah, I see I have alarmed you. Do not be frightened by my beard: I am a lover of America. I noticed that you were looking for something; more than looking, in fact you seemed to be on a mission, and since I am both a native of this city and a speaker of your language, I thought I might offer you my services as a bridge.” —from The Reluctant Fundamentalist

“Mr. Hamid reaffirms his place as one of his generation’s most inventive and gifted writers.” — Michiko Kakutani, The New York Times “A globalized version of The Great Gatsby . . . [Hamid’s] book is nearly that good.” — Alan Cheuse, NPR “Marvelous and moving.” — TIME Magazine

From the internationally bestselling author of The Reluctant Fundamentalist and Exit West, the boldly imagined tale of a poor boy’s quest for wealth and love His first two novels established Mohsin Hamid as a radically inventive storyteller with his finger on the world’s pulse. How to Get Filthy Rich in Rising Asia meets that reputation—and exceeds it. The astonishing and riveting tale of a man’s journey from impoverished rural boy to corporate tycoon, it steals its shape from the business self-help books devoured by ambitious youths all over “rising Asia.” It follows its nameless hero to the sprawling metropolis where he begins to amass an empire built on that most fluid, and increasingly scarce, of goods: water. Yet his heart remains set on something else, on the pretty girl whose star rises along with his, their paths crossing and recrossing, a lifelong affair sparked and snuffed and sparked again by the forces that career their fates along. How to Get Filthy Rich in Rising Asia is a striking slice of contemporary life at a time of crushing upheaval. Romantic without being sentimental, political without being didactic, and spiritual without being religious, it brings an unflinching gaze to the violence and hope it depicts. And it creates two unforgettable characters who find moments of transcendent intimacy in the midst of shattering change.

The debut novel from the internationally bestselling author of Exit West and The Reluctant Fundamentalist, both shortlisted for the Man Booker Prize

Moth Smoke, Mohsin Hamid’s deftly conceived first novel, immediately marked him as an uncommonly gifted and ambitious young literary talent to watch when it was published in 2000. It tells the story of Daru Shaeed, who, fired from his banking job in Lahore, begins a decline that plummets the length of Hamid’s sharply drawn, subversive tale. Fast-paced and unexpected, Moth Smoke was ahead of its time in portraying a contemporary Pakistan far more vivid and complex than the exoticized images of South Asia then familiar to the West. It established Mohsin Hamid as an internationally important writer of substance and imagination and the premier Pakistani author of our time, a promise he has amply fulfilled with each successive book. This debut novel, meanwhile, remains as compelling and deeply relevant to the moment as when it appeared more than a decade ago.

“A breathtaking novel... [that] arrives at an urgent time.” —NPR “It was as if Hamid knew what was going to happen to America and the world, and gave us a road map to our future... At once terrifying and ... oddly hopeful.” —Ayelet Waldman, The New York Times Book Review “Moving, audacious, and indelibly human.” —Entertainment Weekly. “A” rating A New York Times bestseller, the astonishingly visionary love story that imagines the forces that drive ordinary people from their homes into the uncertain embrace of new lands. In a country teetering on the brink of civil war, two young people meet—strange, fiercely independent Nadia and gentle, restrained Saeed. They embark on a furtive love affair, and are soon cloistered in a premature intimacy by the unrest rolling their city. When it explodes, turning familiar streets into a patchwork of checkpoints and bomb blasts, they begin to hear whispers about doors—doors that can whisk people far away, if perilously and for a price. As the violence escalates, Nadia and Saeed decide that they no longer have a choice. Leaving their homeland and their old lives behind, they find a door and step through. . . . Exit West follows these remarkable characters as they emerge into an alien and uncertain future, struggling to hold on to each other, to their past, to the very sense of who they are. Profoundly intimate and powerfully inventive, it tells an unforgettable story of love, loyalty, and courage that is both completely of our time and for all time.

Changez, a young Muslim American, is living the American dream, with a Princeton education and high-paying job, until the events of September 11th force him to confront his personal allegiances.
