Secrets have consequences-and so do truths. I've been outed as a Legacy and there's nothing I can do but deal with the aftermath. I thought I could handle it-I was wrong. The city is in chaos, and I have more enemies than allies. Some that I once called allies have quickly become my betrayers. Just when I didn't think things could get any worse, Conner resurfaces and he's ready to make everyone pay. Especially me. He's the least of my worries: a supernatural assassin has been brought in to kill all the Legacy-and he's good at his job. One by one we are being killed off. Gareth, my only true ally, has his own problems dealing with another group that is set on ridding the world of supernaturals. Unless I can get the assassin before he gets me and Gareth can stop an organization bent on xenophobic destruction, we don't stand

a chance in hell of surviving this.

I am Levy Michaels. Once my kind were the hunters-now we are the hunted. Supernaturals are out of the closet but I have to stay hidden because of the type of magic I possess. I'm a Legacy. It sounds like the title should come with reverence, a trust fund, or at the very least a cool backstory-instead it comes with a death sentence. I have to hide in plain sight and pretend to be just human. I'm pretty good at it. I live a simple and somewhat normal life, and I work in antique acquisitions. Everything's going fine until a dangerous and enchanted dagger that was once in my possession is stolen. I didn't think things could get any worse until I woke up next to a dead shifter, fae, and mage, without any memory of the

past twenty-four hours. Considered guilty of murder by most of the magical community and humans, I must work with Gareth, the sexy and dangerous leader of the Supernatural Guild. If he's as good as rumored, it's only a matter of time until he discovers the truth about me-then being found guilty of murder is the least of my worries.

The only thing standing between me and death is my secret. I'm a Legacy-a secret I'd planned on taking to my grave. Gareth, the enigmatic leader of the Supernatural Guild, knows it, but can I trust him to keep it? When mysterious deaths occur as a result of magic that mimics my own, I no longer have to worry about Gareth exposing me - it will be one of my own that does. Another Legacy is causing the

chaos, and I'm forced to hunt my own kind. It seems simple, but we've existed for as long as we have because we're better hunters than prey. I'm forced to work with Gareth to clear my name and find the Legacy responsible. Not only is my secret about to be revealed-so is his. Gareth is much more dangerous than I expected. Is he my friend or my enemy?

No one said life was going to be easy, but mine just keeps getting harder. My best friend has been abducted by a madman who seems to have returned from the dead with the sole goal of seeking revenge against me. She's my friend, but she's also essential in finding a cure for a virus that has the potential to destroy the supernatural world. Did I mention there's a war brewing between supernaturals and humans?

The stirring conclusion to The Soldier Son Trilogy—the acclaimed epic tale of duty, destiny, and magic by New York Times bestselling master fantasist Robin Hobb Loyal, privileged, and brave, Nevare Burvelle proudly embraced his preordained role as soldier in the service of the King of Gernia—unaware of the strange turns his life would ultimately take. Exposed to a plague of enemy sorcery that felled many of his compatriots, he prevailed, but at a terrible cost to his soul, body, and heart. Now he stands wrongly accused of unspeakable crimes—including murder, the most

heinous of them all. Condemned by his brother soldiers and sentenced to death, Nevare has no option but to escape. Suddenly he is an outcast and a fugitive—a hostage to the Speck magic that shackles him to a savage alter ego who would destroy everything Nevare holds dear. With nowhere to turn—except, perhaps, to the Speck woman Lisana, the enemy whom he loves—he is mired in soul-rending despair. But from out of the darkness comes a bright spark of hope. Perhaps, somehow, the hated magic that has long abused Nevare can be used by him instead. Could he not learn to wield this mighty weapon for his own purposes rather than be enslaved by it? But down what perilous road will this desperate new quest lead him? And what will be the outcome and the ultimate new incarnation of Nevare Burvelle?

emerged from the ruins of a crumbled society and established peace and order where chaos reigned. As champions of justice, they remain a symbol of hope and courage to everyone...except the villains they once overthrew. Nova has a reason to hate the Renegades, and she is on a mission for vengeance. As she gets closer to her target, she meets Adrian, a Renegade boy who believes in justice—and in Nova. But Nova's allegiance is to the villains who have the power to end them both.

Between life and death - there's magic. Friends of the Midwest Pack are missing, alliances are forming between enemies whose sole intent is to destroy the pack, and a mysterious group is trying to make a power grab using any

means possible. With her pack and its allies in danger, and her love life threatened by secrets, Sky doesn't think things could possibly get worse. Then the spirit shade she's hosted all her life awakens-vengeful and powerful-and uses Sky to cast a dark spell over all were-animals. If she can't find a way to reverse it, they will die.

When a god wants you dead, it's safe to assume life can't get any worse. Wrong. I'm enemy-number-one to a powerful fae and I've ticked off the Master of the vampires one too many times. Life-or rather, death-is coming at me fast. I definitely didn't expect a demon placing a bounty on me to be added to the what-the-hell-else-could-go-wrong Bingo card. Adding to my problems, the two men in my life are pushing me to

make a choice that could not only cost me a friendship but a valued ally. What do I do when: one of the most powerful beings in the world wants me dead, I'm out of my depth in unknown magic, and my allies could become my enemies? I'll do what I always do when I'm against the ropes or cornered- fight harder. Because there is only one option: Survive.
