Digital technologies have become a part of our lives. Traditional book reading and library culture are gradually transformed with the help of new technologies. These days some people appreciate the versatility of conventional Tablets while others make their choice for dedicated reading devices - electronic books. * Why read a book on a laptop computer or smartphone? * Are you sure that you selected the right type of device. * What is Kindle and a Kindle Reader? * What are the technical specifications of Kindle Reader or Kindle Fire? * How much time was working the device from Amazon? * You're confused about the gift you want to get to your friend, who also happens to love books, but you're at odds about what to buy him? * Do you wish to instill in your child a love for reading, but afraid to do so by using the tablet since you're worried about his possible health issues? * Want to buy a reader based on e-paper or tablet from Amazon? * You do not have time to go to bookshops, but want to keep abreast of new books? Take personal time more usefully, and download the latest product from the online store Amazon. Well, not to be mistaken with the choice of the reader, be sure to read this book. On these and other questions, I tried to answer in this book. Factors to Consider When Finding an Amazon Kindle Reader The Kindle Readers for Windows, OS, OS X, Android or Cloud Reader Comparison between Different Kindle Models Do I need a 3G or/and Wi-Fi model?
