Recounts how, although raised by the same parents in the same home, two siblings went out into the world to find what would make them happy and led vastly different lives as one became a successful entrepreneur and author while the other became a devout Buddhist nun. 250,000 first printing.

A Rolling Stone-Kirkus Best Music Book of 2020 "[Brother Robert] book does much to pull the blues master out of the fog of myth."—Rolling Stone An intimate memoir by blues legend Robert Johnson's stepsister, including new details about his family, music, influences, tragic death, and musical afterlife Though Robert Johnson was only twenty-seven years young and relatively unknown at the time of his tragic death in 1938, his enduring recordings have solidified his status as a progenitor of the Delta blues style. And yet, while his music has retained the steadfast devotion of modern listeners, much remains unknown about the man who penned and played these timeless tunes. Few people alive today actually remember what Johnson was really like, and those who do have largely upheld their silence-until now. In Brother Robert, nonagenarian Annye C. Anderson sheds new light on a real-life figure largely obscured by his own legend: her kind and incredibly talented stepbrother, Robert Johnson. This book chronicles Johnson's unconventional path to stardom, from the harrowing story behind his illegitimate birth, to his first strum of the guitar on Anderson's father's knee, to the genre-defining recordings that would one day secure his legacy. Along the way, readers are gifted not only with Anderson's personal anecdotes, but with colorful recollections passed down to Anderson by members of their family—the people who knew Johnson best. Readers also learn about the contours of his working life in Memphis, never-before-disclosed details about his romantic history, and all of Johnson's favorite things, from foods and entertainers to brands of tobacco and pomade. Together, these stories don't just bring the mythologized Johnson back down to earth; they preserve both his memory and his integrity. For decades, Anderson and her family have ignored the tall tales of Johnson "selling his soul to the devil" and the speculative to fictionalized accounts of his life that passed for biography. Brother Robert is here to set the record straight. Featuring a foreword by Elijah Wald and a Q&A with Anderson, Wald, Preston Lauterbach, and Peter Guralnick, this book paints a vivid portrait of an elusive figure who forever changed the musical landscape as we know it.

A mixture of Zen philosophy, personal experience and observation, and 50 years of thoughts about the complex interconnectivity of everything throughout the universe is combined into a concise, thought-provoking text that will most assuredly gain readers' attention. "Everything" presents a unique perspective about the origin of God, the reality of existence, the meaning of life, the true impact of a death, relationships between human beings and all life as well as the spirit world, and the impact that everyone makes on the universe. Who is in control? We are all in control... we are all part of everything.

Although we have been successful in our careers, they have not turned out quite as we expected. We both have changed positions several times-for all the right reasons-but there are no pension plans vesting on our behalf. Our retirement funds are growing only through our individual contributions. Michael and I have a wonderful marriage with three great children. As I write this, two are in college and one is just beginning high school. We have spent a fortune making sure our children have received the best education available. One day in 1996, one of my children came home disillusioned with school. He was bored and tired of studying. "Why should I put time into studying subjects I will never use in real life?" he protested. Without thinking, I responded, "Because if you don't get good grades, you won't get into college." "Regardless of whether I go to college," he replied, "I'm going to be rich."

Beginning in 1924, Proceedings are incorporated into the Apr. number.
