Discusses Parks' role in the Montgomery NAACP, her refusal to give up her bus seat to a white man, and the Montgomery bus boycott

In this straightforward, compelling autobiography, Rosa Parks writes candidly about the civil rights movement and her active role in it. Photos.

The black woman whose acts of civil disobedience led to the 1956 Supreme Court order to desegregate buses in Montgomery, Alabama, explains what she did and why.

Now adapted for readers ages 12 and up, the award-winning biography that examines Parks' s life and 60 years of radical activism and brings the civil rights movement in the North and South to life Rosa Parks is one of the most well-known Americans today, but much of what is known and taught about her is incomplete, distorted, and just plain wrong. Adapted for young people from the NAACP Image Award—winning *The Rebellious Life of Mrs. Rosa Parks*, Jeanne Theoharis and Brandy Colbert shatter the myths that Parks was meek, accidental, tired, or middle class. They reveal a lifelong freedom fighter whose activism began two decades before her historic stand that sparked the Montgomery bus boycott and continued for 40 years after. Readers will understand what it was like to be Parks, from standing up to white supremacist bullies as a young person to meeting her husband, Raymond, who showed her the possibility of collective activism, to her years of frustrated struggle before the boycott, to the decade of suffering that followed for her family after her bus arrest. The book follows Parks to Detroit, after her family was forced to leave Montgomery, Alabama, where she spent the second half of her life and reveals her activism alongside a growing Black Power movement and beyond. Because Rosa Parks was active for 60 years, in the North as well as the South, her story provides a broader and more accurate view of the Black freedom struggle across the twentieth century. Theoharis and Colbert show young people how the national fable of Parks

and the civil rights movement—celebrated in schools during Black History Month—has warped what we know about Parks and stripped away the power and substance of the movement. *The Rebellious Life of Mrs. Rosa Parks* illustrates how the movement radically sought to expose and eradicate racism in jobs, housing, schools, and public services, as well as police brutality and the over-incarceration of Black people—and how Rosa Parks was a key player throughout. Rosa Parks placed her greatest hope in young people—in their vision, resolve, and boldness to take the struggle forward. As a young adult, she discovered Black history, and it sustained her across her life. *The Rebellious Life of Mrs. Rosa Parks* will help do that for a new generation.

In this book from the highly acclaimed Little People, BIG DREAMS series, discover the incredible life of Rosa Parks, the "Mother of the Freedom Movement." Rosa Parks grew up in Alabama, where she learned to stand up for herself at an early age. Rosa went on to become a civil rights activist. In 1955, she refused to give up her seat to a white man on a segregated bus, sparking the Montgomery Bus Boycott. Her courageous decision had a huge impact on civil rights, eventually leading to the end of segregation on public transport. She never stopped working for equal rights. This moving book features stylish and quirky illustrations and extra facts at the back, including a biographical timeline with historical photos and a detailed profile of the activist's life. Little People, BIG DREAMS is a best-selling series of books and educational games that explore the lives of outstanding people, from designers and artists to scientists and activists. All of them achieved incredible things, yet each began life as a child with a dream. This empowering series offers inspiring messages to children of all ages, in a range of formats. The board books are told in simple sentences, perfect for reading aloud to babies and toddlers. The hardcover versions present expanded stories for beginning readers. Boxed gift sets allow you to collect a selection of the books by theme. Paper dolls, learning cards, matching games, and other fun learning tools provide even more ways to make the lives of these role models accessible to children. Inspire the next generation of outstanding people who will change the world with Little People, BIG DREAMS!

"Teachers will welcome [this treatment of]...a simple, clear biography of Rosa Parks...The male narrator reads clearly and unemotionally, presenting the facts as Adler reports them...A good addition to collections." - School Library Journal

Recounts Rosa Parks' daring effort to stand up for herself and other African Americans by helping to end segregation on public transportation.

When Parks refused to give up her seat to a white man on an Alabama bus in 1955, she sparked the Civil Rights Movement.

No discussion of the Civil Rights Movement is complete without the story of Rosa Parks. But what was this activist like as a child? Following young Rosa from a fishing creek to a one-room schoolhouse, from her wearing homemade clothes to wondering what "white" water tastes like, readers will be inspired by the experiences that shaped one of the most famous African-Americans in history.

Until recently, Rosa Parks' s personal papers were unavailable to the public. In this compelling new book from the Library of Congress, where the Parks Collection is housed, the civil rights icon is revealed for the first time in print through her private

manuscripts and handwritten notes. *Rosa Parks: In Her Own Words* illumines her inner thoughts, her ongoing struggles, and how she came to be the person who stood up by sitting down. At the height of the Montgomery Bus Boycott, as Parks was both pilloried and celebrated, she found a catharsis in her writing. Her precise descriptions of her arrest, the segregated South, and her recollections of childhood resistance to white supremacy document a lifetime of battling inequality. Parks expressed her thoughts on paper using whatever was available—meeting agendas, event programs, drugstore bags. The book features one hundred color and black-and-white photographs from the Parks collection, many appearing in print for the first time, along with ephemera from the long life of a private person in the public eye.
