"Strips porn of its culture-war claptrap . . . Pornified may stand as a Kinsey Report for our time."—San Francisco Chronicle Porn in America is everywhere—not just in cybersex and Playboy but in popular video games, advice columns, and reality television shows, and on the bestseller lists. Even more striking, as porn has become affordable, accessible, and anonymous, it has become increasingly acceptable—and a big part of the personal lives of many men and women. In this controversial and critically acclaimed book, Pamela Paul argues that as porn becomes more pervasive, it is destroying our marriages and families as well as distorting our children's ideas of sex and sexuality. Based on more than one hundred interviews and a nationally representative poll, Pornified exposes how porn has infiltrated our lives, from the wife agonizing over the late-night hours her husband spends on porn Web sites to the parents stunned to learn their twelve-year-old son has seen a hardcore porn film. Pornified is an insightful, shocking, and important investigation into the costs and consequences of pornography for our families and our culture.

"Readers fascinated with the Romanovs and this tumultuous period in Russian history will be enthralled by this deliciously dark and memorable novel."  
—Publishers Weekly Inspired by real characters, this transporting historical fiction debut spins the fascinating story of two princesses in the Romanov court who practiced black magic, befriended the Tsarina, and invited Rasputin into their lives—forever changing the course of Russian history. As daughters of the impoverished King of Montenegro, Militza and Stana must fulfill their duty to their father and leave their beloved home for St. Petersburg to be married into senior positions in the Romanov court. For their new alliances to the Russian nobility will help secure the future of the sisters' native country. Immediately, Militza and Stana feel like outcasts as the aristocracy shuns them for their provincial ways and for dabbling in the occult. Undeterred, the sisters become resolved to make their mark by falling in with the lonely, depressed Tsarina Alexandra, who—as an Anglo-German—is also an outsider and is not fully accepted by members of the court. After numerous failed attempts to precipitate the birth of a son and heir, the Tsarina is desperate and decides to place her faith in the sisters' expertise with black magic. Promising the Tsarina that they will be able to secure an heir for the Russian dynasty, Militza and Stana hold séances and experiment with rituals and spells. Gurus, clairvoyants, holy fools, and charlatans all try their luck. The closer they become to the Tsarina and the royal family, the more their status—and power—is elevated. But when the sisters invoke a spiritual shaman, who goes by the name of Rasputin, the die is cast. For they have not only irrevocably sealed their own fates—but also that of Russia itself.

Michael. What does this mean? At the end of the eighteenth century, the Archangel Michael revealed the new mystery that has manifested on Earth as spiritual science, or anthroposophy. Its essence involves the renewal of our knowledge of the mysteries of karma and human destiny. Those who are drawn to this school have a special relationship to the human faculty of thinking--their inner feeling for truth has the strength of iron. This feeling for truth helps them to become companions of Michael at the threshold of the spiritual world. These talks deal with the spiritual path of anthroposophy in its Christian Rosicrucian aspect. Tomberg speaks openly and honestly about meditation, the various stages of consciousness (imagination, inspiration, and intuition), the "guardian of the threshold," and the esoteric trials one encounters along the way. He concludes by describing the life of Rudolf Steiner as the life of a Christian initiate. CONTENTS Introduction: Valentin Tomberg 1. The New Michael Community and its Significance for the Future 2. Meditation--Its Being and its Effect 3. Indian Yoga in Relation to the Christian-Rosicrucian Path 4. Imagination, Inspiration, Intuition 5. The Two Guardians of the Threshold 6. The Occult Trials 7. Rudolf Steiner's Life-Path as the Way of the Christian Initiate This book was originally published in German as *Sieben Vorträge über die innere Entwicklung des Menschen*.

Haindl draws upon his knowledge of ancient cultures and his experience living with Native Americans to create a deck that is a colorful and penetrating study in humility and reverence for nature.
