Sacred Journey of the Peaceful Warrior: Millman, Dan ...

Do you think Sacred Journey of the Peaceful Warrior needs a follow-up book? Why or why not? Not really, I was hoping this would have been a stronger follow up to "The Way of the Peaceful Warrior" which was excellent, moving, authentic, and yes I did get lost in the book and even believing therein for extended periods.

This is the second book in the Peaceful Warrior Saga. Neither a sequel nor prequel, this adventure takes place within the context of the original book, shedding new light on the path he was to travel, and would one day teach. After a period of training with the man he calls Socrates, Dan Millman is sent away by his old mentor to apply what he has learned to everyday life. Struggling with personal failure and growing disillusion, Dan sets out on a worldwide quest to rediscover the sense of clarity, meaning and purpose he found with Socrates. then a long-forgotten memory drives Dan to seek a mysterious woman shaman in Hawaii. She is the gateway to all his hopes and fears — and the only one who can prepare him for what may follow. Deep in a rain forest on the island of Molokai, Dan encounters mortal challenges, vivid characters, and startling revelations as he ascends the peaceful warrior's path toward the light that shines at the heart of creation. In this compelling tale, the author breathes new life into ancient wisdom and reminds us that all our journeys are sacred, and all our lives an adventure.

WAY OF THE PEACEFUL WARRIOR has become one of the most beloved spiritual sagas of our time. Shared among friends and families, this million-copy word-of-mouth bestseller has inspired men and women of all ages in twenty languages worldwide. Despite his success, college student and world-champion athlete Dan Millman is haunted by a feeling that something is missing from his life. Awakened one night by dark dreams, he wanders into an all-night gas station, meets an old man named Socrates, and his world is changed forever. Guided by this eccentric old warrior, drawn to an elusive young woman named Joy, Dan begins a spiritual odyssey into realms of light and shadow, romance and mystery, toward a final confrontation that will deliver or destroy him. This classic tale, told with heart and humor, speaks to the peaceful warrior in each of us. Countless readers have been moved to laughter and tears - even moments of illumination - as they rediscover life's larger meaning and purpose. Journey with Dan on the peaceful warrior's path to unreasonable happiness. Find out for yourself why this book changes lives.

The Hidden School reveals a book within a book, a quest within a quest and a bridge between worlds. Dan Millman takes readers on an epic spiritual quest across the world as he searches for the link between everyday life and transcendent possibility. Continuing his journey from Way of the Peaceful Warrior, Dan moves from Honolulu to the Mojave Desert, and from a bustling Asian city to a secluded forest, until he uncovers the mystery of The Hidden School. While traversing continents, he uncovers lessons of life hidden in plain sight - insights pointing the way to an inspired life in the eternal present. Along the way, you'll encounter remarkable characters and brushes with mortality as you explore the nature of reality, the self, death and, finally, a secret as ancient as the roots of this world. Awaken to the hidden powers of paradox, humour and change. Discover a vision that may forever change your perspectives about life's promise and potential.

Nearly a quarter century after the publication of Dan Millman's Way of the Peaceful Warrior, a film adaptation came to the screen in a movie titled "Peaceful Warrior" starring Nick Nolte as Dan's old mentor, "Socrates." Dan had anticipated that many questions might come from viewers of that film, and that it was finally time to write a book that directly addressed the original teachings in his first book, and loosely expressed in the movie. Over the years, readers have asked many compelling questions about mysterious elements in his bestselling classic. In this powerful new work, Wisdom of the Peaceful Warrior, Dan selected one hundred key passages and added incisive commentaries to clarify the timeless teachings of his old mentor, Socrates. With practical wisdom gained over the passing decades, Dan now shares fresh insights that readers can apply directly to their everyday lives. Wisdom of the Peaceful Warrior speaks to all adventurous souls seeking a deeper understanding of themselves and their lives. For Dan Millman's loyal readers as well as those new to his work, this book reveals how to live each day with a peaceful heart and a warrior spirit.

Unappreciative of what he has in life, Danny travels with the magical old man Socrates into another world, where his quest for the crystal castle teaches him that it is the journey itself that makes a warrior, not the reward.

The Way Begins . . . Sergei was three when the soldiers took him. At fifteen he fled into the wilderness, with nothing to cling to but the memories of a grandfather who called him Socrates and the promise of a gift buried near St. Petersburg. Thus begins The Journeys of Socrates -- an odyssey that forged the character of Sergei Ivanov, whose story would one day change the lives of millions of readers worldwide. This saga of courage and faith, of love and loss, reveals the arts of war and the path to peace. Ultimately, it speaks to the quest we all share for a meaningful life in a challenging world.

This heartwarming tale tells of Danny Morgan, who learns the meaning of courage and friendship when he is confronted by, and befriends, the schoolyard bully. With dignity, wit, and compassion, Danny's mentor shows him that he cannot solve his problems by running away — or by becoming a bully himself.

Perhaps the most important section in Dan Millman's best-selling book, The Life You Were Born to Live was titled Laws that Change Lives. These laws, as described, were key to overcoming the specific hurdles on a given individual's life path. Different laws played critical roles for different paths. But the author considers these laws so central to all our lives that they needed a book of their own, and a more universal treatment, since anyone could benefit from applying any of these laws. As he writes: "Within the mystery of our existence, the universe operates according to spiritual laws as real as the law of gravity and as constant as the turning of the heavens. Aligning our lives to these laws can transform our relationships, careers, finances, and health. Simply put, they make life work better." The Laws of Spirit, Dan Millman's "little book of big wisdom," offers a teaching tale in which he encounters an ageless woman sage while on a mountain hike. There, in the wilderness, she takes Dan and his readers through experiences and tests in the natural world that demonstrate the power of spiritual laws of balance, choice, process, presence, compassion, faith, action, patience, , surrender, and unity. As the sage relates, "These laws belong to all of us. They rest within our hearts and at the heart of every religion and spiritual tradition." As you make your own journey through the pages of this book, you will find universal solutions to the varied challenges of our lives, leading to perspective and wisdom about the meaning and purpose of our lives here, and our connection with all of creation It begins with a single step: Open the first page of a book you will refer to again and again for inspiration and guidance on life's journey, up the mountain path.
