~~Catholic Saint of the Day — My Catholic Life!~~
Many saints have specially designated feast days which are associated with a specific day of the year and these are referred to as the saint's feast day. The Catholic Saint's feast days first arose from the very early Christian custom of the annual commemoration of martyrs on the dates of their deaths, at the same time celebrating their ...

The calendar of saints is the traditional Christian method of organizing a liturgical year by associating each day with one or more saints and referring to the day as the feast day or feast of said saint. The word "feast" in this context does not mean "a large meal, typically a celebratory one", but instead "an annual religious celebration, a day dedicated to a particular saint".

This is the Saint of the Day list of Saints and Blesseds whose feast day falls on May 15 every year. Saint Isidore the Farmer. Blessed Andrew Abellon

"Biographies and lessons from the lives of the saints, linked to their feast days. Each of the more than two hundred entries includes a short biography of the saint, a comment linking the example of this life relevant to our own and an appropriate quotation from Scripture, the words of the saint or another spiritual writer for reflection"--

This exciting, two-volume collection profiles saints of varied social and ethnic backgrounds. The included index and list of feast days are helpful for introducing young readers to these Catholic role models.

These minute meditations for every day of the year contain a Scripture reading, a reflection from the writings of the Saints, and a prayer. With ribbon marker.

This revised edition of Saint of the day contains more than 200 entries, each containing a short account of the life of a saint followed by a reflective comment, in which the authors make the examples of the saints relevant to our times.

The biographic text of St. Anthony is presented complete in this edition for the reader's absorption and contemplation. First published in the 4th century A.D., Anthony the Great's biography was authored by Christian Saint Athanasius of Alexandria. Since its release, the book has helped spread the beliefs, practices and arduous faith of Anthony the Great. A significant progenitor of the monastic tradition, Saint Anthony lived an ascetic lifestyle in the arid lands of Egypt. Although not the earliest of religious figures committed to this tradition, through actions and preaching Anthony helped popularise and spread principles that would contribute heavily to the establishment of Christian monasteries in Europe and beyond. One event in St. Anthony's life was his encounter with the supernatural in the remote Egyptian desert. This occurrence, where the otherworldly presence tried to tempt him from his spartan philosophy of living, is much recreated in Western art and literature.

Drawing from the liturgical calendar, this charming coloring book showcases the lives of saints from the

early Church to the modern day.

Adapted into a single volume for daily devotional reading, "Butler's Saint for the Day" features the life of one saint or blessed for each day of the year. Originally published as the "New Concise Edition of Butler's," this revision puts much more emphasis on 20th century figures and reflects the late John Paul II's attention to holy men and women throughout the world, especially the Americas.
