Kitab Al I'tisam seems to have been written by Al Shatibi "May Allah (swt) have mercy on him" for his disciples and the scholars and students of knowledge, rather than for the laymen and commoners among the people. He underwent great difficulties to achieve this glorious task. The book is indeed a scientific encyclopedia, which includes a lot of benefits and unique issues, which make its holder and carrier dispense with anything else, in residence as well as on journey. He prefaced the book with a wonderful and concentrated introduction, in which he talked about the alienation of Islam, and the emergence and spread of the religious innovations, which motivated him to write his book, in the hope it would benefit the Muslims in the world and the hereafter. He divided the book into ten section, each including many chapters as required by content and in-depth explanation of the issues: 1. Definition and meaning of religious innovation 2. Condemnatino of religious innovation, and the evil consequences of its men; 3. Condemantion of religious innovations in general, and all changes made in the religion, in which he discussed the malicious allegations of the religious innovators and those of scholars who regard good or bad the religious innovations. 4. The appraoches of religious innovators in attestation; 5. The real and additional religious innovations, and the difference between them; 6. The rulings of the religious innovations, which are not of the same rank; 7. The innovation, whether it pertains to the acts of worship in particular, or includes also the normal habits; 8. The difference between the benefits which were not specifically addressed with Islamic text, and the appreciation; 9. The reason for which the sects of religious innovators broke away from the established community of the Muslims; 10. The straight path from which the religious innovators deviated

An introduction to the science of Hadith and methodology, it traces the evolution of Hadith. An essential reading for the students of Islam, its history and Hadith.

Adil writes of the Holy Prophet and how he prayed for mercy upon his enemies. Despite the fact that they did him such harm and caused him so much hurt, he would not curse them, for all prophets' curses instantly take effect.

This third edition of the best-selling title Principles of Islamic Jurisprudence has been completely revised and substantially enlarged. In this work, Prof Kamali offers us the first detailed presentation available in English of the theory of Muslim law (usul al-fiqh). Often regarded as the most sophisticated of the traditional Islamic disciplines, Islamic Jurisprudence is concerned with the way in which the rituals and laws of religion are derived from the Qur'an and the Sunnah—the precedent of the Prophet. Written as a university textbook, Principles of Islamic Jurisprudence is distinguished by its clarity and readability; it is an essential reference work not only for students of Islamic law, but also for anyone with an interest in Muslim society or in issues of comparative Jurisprudence.

Apa yang akan terlintas dalam pikiran kita jika mendengar kata dakwah? Mengajak, menyeru, merangkul, menasihati, ataukah menceramahi? Dakwah bukanlah sesuatu yang membosankan yang hanya bisa dilakukan di depan mimbar atau di majelis-majelis pengajian, ia bisa dilakukan kapan pun dan di mana pun tanpa harus dibungkus dengan sesuatu yang membosankan dan dipenuhi dengan nasihat tentang surga dan neraka. Dakwah itu cinta. Cinta yang akan mengantarkan kita pada keridaan dan rahmat Allah taala. Cinta yang akan membuka mata dan pikiran kita betapa indahnya Islam dengan syariat-Nya. Cinta yang akan menyadarkan kita bahwa Allah begitu sayang dan betapa rindunya Rasulullah untuk bertemu dengan kita. Buku ini menjabarkan tentang bagaimana seharusnya kita berdakwah, sehingga mudah diterima oleh orang yang kita dakwahi. Dilengkapi dengan kisah inspiratif dari para generasi terbaik dan mengajak kita untuk mengintrospeksi diri sehingga menjadi lebih baik. Serta mengajak kita untuk lebih memahami hakikat dakwah. Diramu dengan bahasa yang lugas dan tidak menggurui. Selamat membaca!

The Ideal Muslimah This an incredibly sane book, which can help a woman (who is truly female), keep her head on straight and not get lost in a very dangerous game where she only stands to lose. Satan will try to convince women that they have the right to challenge the boundaries of their existence. This book more than anything can help a woman became a decent, loving, compassionate and honest person, which is a huge challenge for most people. This is an excellent book to not only have as a reference book, but to read many times. The book covers everything from the relationship to Allah (God), hospitality to Marriage and family.
