The overall success of an organization is dependent on how marketing is able to inform strategy and maintain an operational focus on market needs. With an array of examples and case studies from around the world, Lancaster and Massingham offer an alternative to the traditional American focused teaching materials currently available. This second edition has been fully revised and updated, including a new chapter on digital marketing written by Dr Wilson Ouzem. Topics covered include: consumer and organizational buyer behaviour product and innovation strategies direct marketing Social media marketing Designed and written for undergraduate, MBA and masters students in marketing management classes, The Essentials of Marketing Management builds on successful earlier editions to provide a solid foundation to understanding this core topic

Electronic Inspection Copy available for instructors here `Management for Social Enterprise is a great introduction to the rich variety of social enterprises in the UK. It is also a useful tool to help us to build more effective social enterprises that really deliver on their missions by people who have hands on experience. This is just what the rapidly growing social enterprise sector needs, a management manual to help us take social enterprises to the next level by people who have hands on experience' - Sophi Tranchell, Managing Director of Divine Chocolate Ltd and Cabinet Office sponsored Social Enterprise Ambassador `The recent explosive growth in the number of social enterprises, their diverse and dynamic nature, and the upsurge in research about them all makes this a potentially bewildering field of knowledge to explore. This book provides a clear and timely guide to the management challenges involved in understanding and running social enterprises, and underlines why their unique nature requires something more than just standard business school wisdom' - Ken Peattie, Professor of Marketing and Strategy, Cardiff Business School, and Director of the ESRC Centre for Business Relationships, Accountability, Sustainability and Society `Provides a good introduction to the management of social enterprises touching on a broad range of topics and will help those involved in managing social enterprises and those trying to understand more about the sector. It draws on the experience of those who have worked in the social enterprise sector in a range of countries and are passionate about developing it' - Fergus Lyon, Professor of Enterprise and Organizations, Middlesex University Overviewing the key business topics required by social entrepreneurs, and managers in social enterprises Management for Social Enterprise covers strategy, finance, ethics, social accounting, marketing and people management. Written in direct, accessible language by a team of authors currently teaching and researching in this sector, each chapter is fully supported with learning resources. Chapters include brief overviews, further reading, suggested web resources and, importantly, international case studies, drawing on real-life business examples. This book is essential reading for students and practitioners of Social Entrepreneurship and Social Enterprise, but will also be of use to anyone with an interest in management, corporate responsibility, ethics or community studies. Click here for the LJMU Social Enterprise Management web pages.

Author of the bestselling text Supply Chain Management, John T. Mentzer's companion book Fundamentals of Supply Chain Management: Twelve Drivers of Competitive Advantage has been developed as a supplemental text for any course dealing with strategy and supply chains. Written in an entertaining, accessible style, Mentzer identifies twelve drivers of competitive advantage as clear strategic points managers can use in their companies. Research from more than 400 books, articles, and papers, as well as interviews with over fifty executives in major global companies, inform these twelve drivers. The roles of all of the traditional business functions—marketing, sales, logistics, information systems, finance, customer services, and management—in supply chain management are also addressed.

Globalization has fueled the growth of entrepreneurship. Starting a new venture involves risk taking as well as capital investment. This book delves into all the varied aspects of entrepreneurship. The impact of economic policies, finances, opportunity and capacity are some of the topics covered in this text. It will prove beneficial to students, scholars, professionals, aspiring entrepreneurs, etc.

Essentials of Marketing Research: Putting Research into Practice, an exciting new practical guide by Kenneth E. Clow and Karen E. James offers a hands-on, applied approach to developing the fundamental data analysis skills necessary for making better management decisions using marketing research results. Each chapter opens by describing an actual research study related to the chapter content, with rich examples of contemporary research practices skillfully drawn from interviews with marketing research professionals and published practitioner studies. Clow and James explore the latest research techniques, including social media and other online methodologies, and they examine current statistical methods of analyzing data. With emphasis on how to interpret marketing research results and how to use those findings to make effective management decisions, the authors offer a unique learning-by-doing approach to understanding data analysis, interpreting data, and applying results to decision-making.

The overall success of an organization is dependent on how marketing is able to inform strategy and maintain an operational focus on market needs. With an array of examples and case studies from around the world, Lancaster and Massingham's vital study offers an alternative to the traditional American focused teaching materials currently available. This second edition has been fully revised and updated, including a new chapter on digital marketing written by Dr Wilson Ouzem. Topics covered include: consumer and organizational buyer behaviour product and innovation strategies direct marketing Social media marketing Designed and written for undergraduate, MBA and masters students in marketing management classes, Essentials of Marketing Management builds on the successful earlier edition to provide a solid foundation to understanding this core topic.
