In You, Inc. Beckwith provides practical tips, anecdotes and insights based on his 30 years of marketing and selling his advertising services. Beckwith learned early on in his career that no matter what product you're selling, the most important component of the product is you. In You, Inc.: A Field Guide to Selling Yourself, Beckwith relates tantalizing tidbits and real stories of how to harness your enthusiasm with an ability to impress your key accounts. Written in his traditional homespun style, Beckwith offers doses of humour and pithy knowledge to anyone who wants to seal the deal and thrive in business.

your personal brand. ” - Neil Patel Personal branding helps you build an online reputation and add value to your business. One might strive to establish a personal brand by posting content regularly on social media. But this alone would not yield expected results.

#BecomeABrand lays down a strategic roadmap on ‘ How to use various Social Media channels to position your Brand ’ . These observations are aided by my own experiments, real-time case studies and activity checklists that help you use this as a tool for your personal branding journey.

THE MOVING SAGA OF RACHEL CAMPBELL AND HER FAMILY CONTINUES... It's October 1954 and life in post-war Britain is slowly starting to return to normal. For Rachel Campbell, however, her family is proving to be a constant challenge. As her children grow older and start families of their own, Rachel must help them learn the often difficult lessons of life. Back from his National Service in Korea, Sam quickly rises through the police force, but soon finds himself in competition with his younger brother Paul. Meanwhile, Carrie realises that the joys of marriage may not create the easy life she had hoped for. And on what feels like the other side of the world, Rachel's eldest daughter Hannah faces the harsh realities of life on a Hebridean island. Through blessings and tragedies, streaks of luck and blows of misfortune, the Campbells will face their most trying days. But when surprising news brings the opportunity for redemption, can the family learn to put the past behind them? Millie Gray once again brilliantly recreates the atmosphere of the era with all the hardships and struggles as well as the fun, warmth and humour of everyday life.

Young Cassie Logan endures humiliation and witnesses the racism of the KKK as they embark on a cross-burning rampage, before she fully understands the importance her family attributes to having land of their own.

Susan Whitcomb, a brilliant New York trial lawyer, has learned her craft from the best in the field—Professor Farlan Amory Adams, her Columbia law teacher, millionaire mentor, and eloquent would-be lover. She needs every shred of the rigorous mental training he has given her when, without warning, she is catapulted into the vicious world of international terrorism. Susan ’ s well-ordered Manhattan life comes to a sudden end with the news that her father, an army general based in Rome, has been assassinated. When she, too, becomes a target of the terrorists, a mysterious, driven young man called David Smith presents himself to her in Rome and tells her he has been assigned to protect her from the dangers that will follow her back to America. And this is only the beginning.... As the story develops, Susan becomes a pawn in a deadly game of escalating complexity, brutality, and suspense in which life, love, and loyalty all hang in the balance. The millions of readers who were riveted by Sol Stein ’ s previous best-sellers, *The Magician* and *The Touch of Treason*, will recognize the hand of a master storyteller in this psychologically dense and driving thriller. Not for nothing did the *New York Times* write of his work: “ If you read a Sol Stein novel while walking, you will walk into a wall. ”
