Santa Biblia The Bible Through

In the introduction to his book, Santa Biblia: The Bible Through Hispanic Eyes, Justo Gonzalez recounts the words of the Rev. Edgar Avitia, "The Bible has been so good to us!" (23). Avitia meant the statement as a recognition of Scripture's power to make sense of the realities that Hispanic/Latino Christians have faced through the years.

Santa Biblia: The Bible Through Hispanic Eyes. Book is slightly bent. There is wear to outside cover and/or page edges (mark, stain, or dirt). There is highlighting, underlining and/or handwriting throughout the book (does not obstruct the text). There is moisture damage to pages and/or cover.

Gonzalez explores how a Hispanic perspective illuminates the biblical text in ways that will be valuable not only for Latino readers but also for the church at large. Introducing five "paradigms" for Latino biblical interpretation, Gonzalez discusses theory and provides concrete examples of biblical texts that gain new meaning when read from a different perspective.

Gonzalez explores how a Hispanic perspective illuminates the biblical text in ways that will be valuable not only for Latino readers but also for the church at large. Introducing five "paradigms" for Latino biblical interpretation, Gonzalez discusses theory and provides concrete examples of biblical texts that gain new meaning when read from a different perspective.

Weaving together a range of 'border' themes - migration, postcolonialism, living in exile, and the immigrant experience - these readings bring fresh new insights to scholars, clergy, and others with backgrounds in contemporary theology and biblical study.

A distinguished group of scholars here introduces and illustrates the array of strategies and methods used in New Testament study today. Standard approaches -- text criticism, historical methods, etc. -- appear side by side with newer approaches -- narrative criticism, Latino-Latina hermeneutics, theological interpretation of the New Testament, and more. First published in 1995, Hearing the New Testament is now revised and updated, including rewritten chapters, new chapters, and new suggestions for further reading. Contributors: Efrain Agosto Loveday C. A. Alexander James L. Bailey Stephen C. Barton Richard Bauckham C. Clifton Black Holly J. Carey Bart D. Ehrman Stephen E. Fowl Joel B. Green Richard B. Hays Mark Allan Powell Emerson B. Powery F. Scott Spencer Max Turner Kevin J. Vanhoozer Robert W. Wall

They knew us before we began to walk upright. Shamans called them guardians, mythmakers called them tricksters, pagans called them gods, churchmen called them demons, folklorists called them shape-shifters. They've obligingly taken any role we've assigned them, and, while needing nothing from us, have accepted whatever we thought was their due – love, hate, fear, worship, condemnation, neglect, oblivion. Even in modern times, when their existence is doubted or denied, they continue to extend invitations to those who would travel a different road, a road not found on any of our cultural maps. But now, perceiving us as a threat to life itself, they issue their invitations with a dark purpose of their own. In this dazzling metaphysical thriller, four who put themselves in the hands of these all-but-forgotten Others venture across a sinister American landscape hidden from normal view, finding their way to interlocking destinies of death, terror, transcendental rapture, and shattering enlightenment. From the Trade Paperback edition.

Explores the literature of the New Testament of the Bible, highlighting the many messages contained within the text and outlining issues that can be discussed by heralding these messages. Also provides background of the time period and locations in which the New Testament was written.

An in-depth look at Christian theology through Hispanic eyes. It weaves the doctrinal formulations of the early church on creation, the Trinity, and Christology into contemporary theological reflection on the Hispanic struggle for liberation. This volume offers a major theological statement from a respected theologian and author. Richly insightful and unique, Manana is one of the few major theological works from a Protestant representative of the Hispanic tradition. Justo L. Gonzalez offers theological reflections based upon unique insights born of his minority status as a Hispanic American.
