Would you consider the audio edition of Saving Scotty: Broken Book 2 to be better than the print version? I haven't read the print version, so, I have no opinion on which is better. What other book might you compare Saving Scotty: Broken Book 2 to and why? I can't think of any other book I would compare it too except the first one in the series.

Scotty is sure that she was betrayed by Nick, so she wants nothing more to do with him. Unfortunately, her life is

Access Free Saving Scotty Broken 2 Annie Jacoby

endangered by Mr. Lucas, as she is abducted by him and spirited away to an island far away from New York City. Nick begins a desperate search for Scotty, knowing that every minute that Scotty is in the hands of Mr. Lucas is another minute that she is horribly suffering. But can he find her before too much damage is done? And can he convince her, once and for all, that he did not betray her? And, in the end, can he finally convince her to truly trust him? Or is she still just too broken?

Nick O'Hara is, for lack of a better word, a man-wh***. Look in the Urban Dictionary under that word, and his name will no doubt be mentioned. The only qualifications that he looks for in a bed-mate is that the person is hot and breathing. Mainly hot. He has no

desire for an emotional connection with another person, and that's the way he lives his life. He has his fabulous wealth and his reputation as a premiere architect, and that's enough for him. Until Scotty James. Scotty is a graduate student at Columbia University in New York City. She's broken from traumatic experiences from her years in foster care and homelessness. She has a vulnerability that is intoxicating to Nick, because, deep down, he knows that he is as broken as she. When Nick pursues Scotty, it seems that she is the only woman who doesn't want to be with him. At first she's a challenge, but Nick soon finds himself falling in love for the first time in his life. With a woman who wants nothing to do with him. Can Scotty overcome her trust issues and fear to let Nick in? Or will

she prove to be too broken to trust?
This is a full-length, 95,000 word, New
Adult novel with mature themes.

Attorney Iris Snowe drinks too much, eats too much, and spends too much. Her love life has been as spectacularly unsuccessful as her law practice, so she spends her evenings in her tiny apartment watching bad TV and talking to her cat. A one-night stand with a gorgeous stranger changes the trajectory of her life. Ryan Gallagher not only looks like a Ralph Lauren model, but is extraordinarily wealthy. In other words, stratospheres out of Iris' league. What happens next is that Iris embarks upon the Cinderella affair of her life, with a man who truly loves her. But the fairy tale is fractured, as the affair is marred by obsession, jealousy, and dark secrets that Ryan

has desperately sought to conceal and repress. And one of those secrets just might be deadly...

A Irish Love Story Annie Foster stays in Ireland after boarding school to nanny a widower's infant daughter. Five years later, the widower proposes. Her first love Chad Jones, whom she believes abandoned her, arrives weeks before the wedding on an undercover assignment probing her fiancé's connection with IRA terrorists. Chad's determined to change Annie's mind and her heart because he's never stopped loving her. Which man will claim Annie's heart?

The friendship between Ennis del Mar and Jack Twist, two cowboys, evolves into an intimate relationship while they are working together as a herder and

camp tender, sharing a bond that spans many years and frequent separations.

“Magnificent.” (Anthony Doerr, author of *All the Light We Cannot See*) From Annie Proulx, the Pulitzer Prize- and National Book Award-winning author of *The Shipping News* and “Brokeback Mountain” comes her masterwork: an epic, dazzling, violent, marvelously dramatic novel about the destruction of the world’s forests. In the late seventeenth century, two penniless young Frenchmen, René Sel and Charles Duquet, arrive in Canada, then known as New France. Bound to a feudal lord, a seigneur, for three years in exchange for land, they become woodcutters—barkskins. Sel suffers extraordinary hardship, oppressed by the forest he is charged

with clearing. He is forced to marry a Mi'kmaw woman, and their descendants live trapped between two hostile cultures. Duquet, crafty and ruthless, runs away from the seigneur, becomes a fur trader, then sets up a timber business. Proulx tells the stories of the descendants of Sel and Duquet over three hundred years—their travels across North America, to Europe, China and New Zealand under stunningly brutal conditions—the revenge of rivals, accidents, pestilence and cultural annihilation. Again and again, they seize what they can of a presumed infinite resource, leaving the modern-day characters face-to-face with possible ecological collapse. Proulx's inimitable genius is her creation of characters who are so vivid—in their greed, lust, vengefulness or their compassion and hope—that we

Access Free Saving Scotty Broken 2 Annie Jacoby

follow them with fierce attention. Annie Proulx is one of the most formidable and compelling American writers, and *Barkskins* is her greatest novel, a superb marriage of history and imagination.

Josephine Clark is trapped. A harrowing past haunts her every time she looks in the mirror, and she can't escape the violence of her everyday life. More and more, her thoughts turn to Evan Salinger, the boy she knew in high school. The boy they called a mental case. A loner. A freak. The boy who seemed to know things no one could know. For a few short weeks, Jo had found perfect solace in Evan's company, sneaking every night to meet him at the local pool. In the cool of the water and the warmth of Evan's arms around her, Jo had tasted

Access Free Saving Scotty Broken 2 Annie Jocoby

something close to happiness. Cruel circumstances tore them apart, and four years later, the sweet memory of their time together is dissolving under the punishing reality of Jo's life now. Evan seems like a fading dream...until he reappears at the moment she needs him most. Guided by Evan's strange intuition, they flee her small Louisiana town, on the run from the police, and Jo begins to suspect there is something more to his sudden return than he admits. Over twelve days across America's heartland, deep secrets come to light, buried pasts are unearthed, and the line between dreams and reality is blurred as Evan and Jo fight to hold on to their soul-deep love, and discover that there is more than one way to save a life. How to Save a Life is a complete second-chance STANDALONE novel with

Access Free Saving Scotty Broken 2 Annie Jocoby

shades of the paranormal. It carries the characters from high school through to their early twenties. It is not YA; mature subject matter and sexual situations. TRIGGER WARNING: some domestic violence (on the page) and mentions of sexual abuse (off the page) For readers 18 years and up.

Annie Dunne and her cousin Sarah live and work on a small farm in a remote and beautiful part of Wicklow in late 1950s Ireland. All about them the old green roads are being tarred, cars are being purchased, a way of life is about to disappear. Like two old rooks, they hold to their hill in Kelsha, cherishing everything. When Annie's nephew and his wife are set to go to London to find work, their two small children, a little boy and his older sister, are brought down to spend the

Access Free Saving Scotty Broken 2 Annie Jacoby

summer with their great-aunt. It is a strange chance for happiness for Annie. But against that happiness moves the figure of Billy Kerr, with his ambiguous attentions to Sarah, threatening to drive Annie from her last niche of safety in the world. The world of childish innocence also proves darkened and puzzling to her, and she struggles to find clear ground, clear light - to preserve her sense of love and place against these subtle forces of disquiet. A summer of adventure, pain, delight and ultimately epiphany unfolds for both the children and their elderly caretakers in this poignant and exquisitely told story of innocence, loss and reconciliation.
