Secret Histories Bernice Summerfield Anthologies

Bernice Summerfield was the first series produced by Big Finish Productions, combining both audio and prose releases in an ongoing narrative, with the titular character portrayed by Lisa Bowerman.. The series began in 1998 with audio adaptations of six Virgin New Adventures novels. After this first season's success, Big Finish began producing audio stories and prose stories simultaneously.

of love and war and jelly babies. They're also science fiction – but how much of the science is actually real, and how much is really fiction? The Scientific Secrets of Doctor Who is a mind-bending blend of story and science that will help you see Doctor Who in a whole new light, weaving together a series of all-new adventures, featuring every incarnation of the Doctor. With commentary that explores the possibilities of time travel, life on other planets, artificial intelligence, parallel universes and more, Simon Guerrier and Dr Marek Kukula show how Doctor Who uses science to inform its unique style of storytelling – and just how close it has often come to predicting future scientific discoveries. This book is your chance to be the Doctor's companion and explore what's out there. It will make you laugh, and think, and see the world around you differently. Because anything could be out there. And going out there is the only way to learn what it is.

In celebration of the first female Doctor Who in history and the new TV series airing October 7, 2018! Bestselling author David Solomons delivers a super smart and vibrant new heroine in an original adventure bursting with action and humor. The Doctor has never faced a challenge quite like this. A sinister school where graduation means death . . . A monstrous mystery lurking beneath a quiet London street . . . A desperate plea for help delivered by . . . Hang on. A potted plant? The Doctor has been summoned. The galaxy is in terrible danger, and only a Time Lord can save it. But to do so, she must break into the ancient Galactic Seed Vault. And at its heart lies a secret: Vault 13. The Vault has remained unopened for millions of

years and is located on a remote and frozen world--from which nobody has ever returned alive. . . . Can the Doctor and her friends Yaz, Ryan, and Graham uncover the shocking secret in Vault 13?

64 new traditional Holmes adventures in three simultaneously published volumes In 2018, MX Publishing presented Parts XI and XII of this acclaimed and ongoing series, Some Untold Cases. Now that theme is revisited with 64 new Sherlock Holmes adventures that explore those many tantalizing references to some of Holmes's other cases, as mentioned in The Canon. "Somewhere in the vaults of the bank of Cox and Co., at Charing Cross, there is a travel-worn and battered tin dispatch box with my name, John H. Watson, M.D., Late Indian Army, painted upon the lid. It is crammed with papers, nearly all of which are records of cases to illustrate the curious problems which Mr. Sherlock Holmes had at various times to examine" - Dr. John H. Watson So wrote Dr. Watson in "The Problem of Thor Bridge" - and ever since, Sherlockians have been seeking to know more about these tales from the legendary tin dispatch box. While Watson's original Literary Agent only edited the pitifully few sixty stories that make up the original Canon, there have since been literally thousands of traditional adventures about the true Sherlock Holmes - and yet there will never be enough! Throughout the original Holmes Canon, there were hints and teases of other intriguing cases - The Giant

Rat of Sumatra . . . The Abernethy Tragedy . . . The Manor House Case. Watson mentions well over one-hundred of these, which have collectively come to be known as The Untold Cases. Now, once again MX Publishing brings us sixty-four of these adventures in three simultaneously published volumes, with all royalties going to support the Stepping Stones School at Undershaw, one of Sir Arthur Conan Doyle's former homes. Join us as we return to Baker Street and discover more authentic adventures of Sherlock Holmes, described by the estimable Dr. Watson as "the best and wisest . . . whom I have ever known." Each volume contains forwards by Otto Penzler, Roger Johnson, Stepping Stones School, Steve Emecz, and David Marcum, as well as stories by the following contributors: Will Murray (2 stories), Tim Gambrell (2 stories), Craig Janacek, I.A. Watson, Jane Rubino, Paul Hiscock, Hugh Ashton, Mike Chinn, Shane Simmons, Dacre Stoker and Leverett Butts, David Marcum, Matthew J. Elliott, Paul D. Gilbert, Tracy J. Revels, Margaret Walsh, Arthur Hall, Barry Clay, Steven Philip Jones, Jan van Koningsveld, and Marcia Wilson, and a poem by John Linwood Grant

Hulton College in Norfolk is a school dedicated to producing military officers. With the First World War about to start, the boys of the school will soon be on the front line. But no one expects a war - not even Dr John Smith, the college's new house master. The Doctor's friend Benny is enjoying her holiday in the same town. But then she meets a future version of the Doctor, and things start to get dangerous very quickly. With the Doctor she knows gone, and only a suffragette and an

elderly rake for company, can Benny fight off a vicious alien attack? And will Dr Smith be able to save the day? This is an adventure set in Britain on the eve of the First World War, featuring the Seventh Doctor as played by Sylvester McCoy and his companion Bernice Summerfield. This book was the basis for the Tenth Doctor television story Human Nature/The Family of Blood starring David Tennant.

In 2015, The MX Book of New Sherlock Holmes Stories burst upon the scene, featuring adventures set within the correct time period, and written by many of today's leading Sherlockian authors from around the world. Those first three volumes were overwhelmingly received, and there were soon calls for additional collections. Since then, their popularity has only continued to grow. And now we present a new three-volume set. Like 2017's two-volumes set, Eliminate the Impossible, this new collection, Whatever Remains . . . Must Be the Truth features tales of Holmes's encounters with seemingly impossible events – ghosts and hauntings, cults and curses, mythical beasts and mediums, angels and demons, and more. In "The Sussex Vampire", Holmes tells Watson: "This agency stands flat-footed upon the ground, and there it must remain. The world is big enough for us. No ghosts need apply." In each of the stories presented in this huge three-volume collection, Holmes approaches the varied problems with one of his favorite maxims firmly in place: ". . . When you have eliminated the impossible whatever remains, however improbable, must be the truth" But what, exactly, is the truth? A Study in Scarlet, the first recorded adventure of Sherlock Holmes and Dr. John H.

Watson, was first published in 1887. What an amazing journey the years since then have been! In addition to the pitifully few sixty tales originally presented in *The Canon*, published between 1887 and 1927, there have been literally thousands of additional Holmes adventures in the form of books, short stories, radio and television episodes, movies, manuscripts, comics, and fan fiction. And yet, for those who are true friends and admirers of the Master Detective of Baker Street, where it is always 1895 (or a few decades on either side of that!) these stories are not enough. Give us more! The forty-nine stories in these three companion volumes represent some of the finest new Holmesian storytelling to be found, and honor the man described by Watson as "the best and wisest . . . whom I have ever known." All royalties from this collection are being donated by the writers for the benefit of the preservation of Undershaw, one of the former homes of Sir Arthur Conan Doyle. Part XVI – *Whatever Remains Must Be the Truth* (1881-1890) features contributions by: Derrick Belanger, Mark Sohn, Tracy J. Revels, Brenda Seabrooke, Kevin Thornton, Andrew Bryant, Josh Anderson & David Friend, David Marcum, I.A. Watson, Arthur Hall, Tim Gambrell, Shane Simmons, Bob Bishop, Mark Mower, Kelvin Jones, and Jayantika Ganguly, and with a poem by Josh Pachter, and forewords by David Marcum, Kareem Abdul-Jabbar, Roger Johnson, and Steve Emezc.
