National Parks Calendar 2018 - 2019: National Parks Calendar 2018, National Parks Calendar 2019, America National Park Calendar America's National Parks Calendar, comes this remarkable printable wall calendar, filled with breathtaking pictures from America's beautiful national parks. Each month showcases photo of National Park plus detailed information about each.

Hallelujah, it's a book! After proving itself to be the "funniest calendar of the year" (according to Gene Shalit), "irresistible" (USA Weekend), and "habit-forming" (Maxim magazine), the Nuns Having Fun calendar has inspired Nuns Having Fun, a book of endearing nuttiness. Catholic kitsch doesn't get any funnier. Written by Maureen Kelly and Jeffrey Stone, pitch-perfect co-authors of the nuns calendar and the New York Times bestseller Growing Up Catholic, Nuns Having Fun features hundreds of sisters in full habit, cutting loose and having a hoot. Here are nuns in the surf ("This is even more fun than walking on water"), nuns in bumper cars ("We brake for Jesus"), nuns in a beer hall ("Ale Marys"), and nuns in the museum, huddled in front of a study of nudes ("It's okay to open your eyes. Sister Wendy says it's art"). There are nuns on skates, at bat, at the theater, skeet shooting (nuns with guns!), even hitting the slots (you know it's for a good cause). The 125 images are from the 1950s and '60s, black-and-white and possessing a pure retro charm; the written material is all-new. Drawing on their years as parochial school students, the authors explore the lore and legends surrounding nuns, including Favorite Punishments from Nuns, Nuns Say the Darndest Things, How to Recognize a Nun After Vatican II, a Wimple Watch, and List of People Who Could Have Been Nuns. As Sister says, "To err is human. To laugh is divine."

In homage to America's National Parks and their iconic art posters, this volume features new artwork for seventy-five parks and monuments across all fifty states. "In this sepia-tinged homage" to the iconic National Parks posters "modern artists contribute dazzling new graphics" (Entertainment Weekly). From 1935 to 1943, the WPA's Federal Art Project hired American artist to create posters celebrating the National Parks Service. The iconic See America posters inspired Americans to fall in love with the country's landmarks and wild spaces from the Golden Gate Bridge to the Gateway Arch and from the Grand Canyon to the Great Smokey Mountains. Originally published to coincide with the centennial anniversary of the National Parks Service, the Creative Action Network has partnered with the National Parks Conservation Association to revive and reimagine the legacy of WPA travel posters. Artists from all over the world participated in the creation of this new, crowdsourced collection of See America posters for a modern era.

The “irresistible” New York Times bestseller that “features heartwarming stories of interspecies love and adorable photographs” (The New York Times Book Review). Written by National Geographic magazine writer Jennifer Holland, *Unlikely Friendships* documents one heartwarming tale after another of animals who, with nothing else in common, bond in the most unexpected ways. A cat and a bird. A mare and a fawn. An elephant and a sheep. A snake and a hamster. The well-documented stories of Koko the gorilla and All Ball the kitten; and the hippo Owen and the tortoise Mzee. And almost inexplicable stories of predators befriending prey—an Indian leopard slips into a village every night to sleep with a calf. A lioness mothers a baby oryx. Holland narrates the details and arc of each story, and offers insights into why—how the young leopard, probably motherless, sought maternal comfort with the calf, and how a baby oryx inspired the same mothering instinct in the lioness. Or, in the story of Cashew, the lab mix that was losing his eyesight, and Libby, the stray cat who began to guide the dog’s way through the house and yard. With Libby, Cashew lived out his last few years with loving support and a lasting friendship. These are the most amazing friendships between species, collected from around the world and documented in a selection of full-color candid photographs. “The feel-good book of the summer—maybe the year—may very well be *Unlikely Friendships*.” —USA Today “With aww-inducing photographs, the book highlights the most improbable animal connections.” —National Geographic

Zelda, a seven-year-old bulldog, is the most unlikely of supermodels, who happens to star in the *Zelda Wisdom* greeting card line and other licensed products. This kit includes a 32-page booklet from her book, *Zelda Wisdom*, and a canine cut-out that stands up and can be dressed in three ravishing cling-made outfits. The combination is a howl!

An anthology of the best mystery short stories published in 2017 selected by best-selling author Louise Penny.
