"Years before the landmark U.S. Supreme Court ruling Brown v. Board of Education, Sylvia Mendez, an eight-year-old girl of Mexican and Puerto Rican heritage, played an instrumental role in Mendez v. Westminster, the landmark desegregation case of 1946 in California"--

Almost 10 years before Brown vs. Board of Education, Sylvia Mendez and her parents helped end school segregation in California. An American citizen of Mexican and Puerto Rican heritage who spoke and wrote perfect English, Mendez was denied enrollment to a "Whites only" school. Her parents took action by organizing the Hispanic community and filing a lawsuit in federal district court. Their success eventually brought an end to the era of segregated education in California.

Young Sylvia Mendez never expected to be at the center of a landmark legal battle. Young Aki Munemitsu never expected to be sent away from her home and her life as she knew it. The two girls definitely never expected to know each other, until their lives intersected on a Southern California farm in a way that changed the country forever. Who are Sylvia and Aki? And why did their family stories matter then and still matter today? This book reveals the remarkable, never-before-told story based on true events of Mendez vs. Westminster School District, the California court case that desegregated schools for Latino children and set the stage for Brown vs. Topeka Board of Education at the national level.

This charming book introduces one of the most popular artists of the twentieth century, Diego Rivera, to young readers. It tells the story of Diego as a young, mischievous boy who demonstrated a clear passion for art and then went on to become one of the most famous painters in the world. Duncan Tonatiuh also prompts readers to think about what Diego would paint today. Just as Diego's murals depicted great historical events in Mexican culture or celebrated native peoples, if Diego were painting today, what would his artwork depict? How would his paintings reflect today's culture? Diego Rivera: His World and Ours is a wonderful introduction to this great artist. Praise for Diego Rivera « |By establishing a link between modern readers and Rivera and challenging them to "make our own murals," the author makes art both aspiration and action. Both solid introduction and exhortation, this book will thrill budding artists. | Kirkus Reviews, starred review | Kids will want to talk about the great painter, and young artists will find inspiration for their own creations. | Booklist

When she was only eight years old, Sylvia Mendez was part of a legal battle that ended segregation for Hispanic students in California. Seven years later, that barrier-breaking court case set a precedent for ending segregation across the country for students of all races and backgrounds. With this biography, readers will learn how Sylvia Mendez's parents fought for Hispanic students in California, how Mendez herself persevered through court cases and harassment at her new school, and how she is fighting for students today. A timeline and sidebars illustrate the connections between Mendez and other court cases for equality.

In this allegorical picture book, a young rabbit named Pancho eagerly awaits his papa's return. Papa Rabbit traveled north two years ago to find work in the great carrot and lettuce fields to earn money for his family. When Papa does not return, Pancho sets out to find him. He packs Papa's favorite meal—mole, rice and beans, a heap of warm tortillas, and a jug of aguamiel—and heads north. He meets a coyote, who offers to help Pancho in exchange for some of Papa's food. They travel together until the food is gone and the coyote decides he is still hungry . . . for Pancho! Duncan Tonatiuh brings to light the hardship and struggles faced by thousands of families who seek to make better lives for themselves and their children by illegally crossing the border. Praise for Pancho Rabbit and the Coyote **STARRED REVIEWS** "Tonatiuh's great strength is in the text. No word is wasted, as each emotion is clearly and poignantly expressed. The rabbits' future is unknown, but their love and faith in each other sustains them through it all. Accessible for young readers, who may be drawn to it as they would a classic fable; perfect for mature readers and the classroom, where its layers of truth and meaning can be peeled back to be examined and discussed. An incandescent, humane and terribly necessary addition to the immigrant-story shelf." | Kirkus Reviews, starred review "In both prose and art, Tonatiuh expertly balances folkloric elements with stark, modern realities; Pancho Rabbit's trip has the feel of a classic fable or fairy tale, with the untrustworthy coyote demanding more and more of him." | Publishers Weekly, starred review "The book shows the fragility of making a living, the desperation that many migrants experience, and the deep family ties that bind the characters. Classrooms studying the migrant experience will find plenty to discuss here." | School Library Journal | This will spark strong responses and needed discussion. | Booklist "Tonatiuh is so careful in weaving his allegory that his empathetic contemporary tale feels like age-old folklore, with simple but compelling text and a step-by-step escalation of the story through gripping, kid-understandable challenges." | The Bulletin of the Center for Children's Books Awards Pura Belpré Author and Illustrator Honor book 2014 New York Public Library's annual Children's Books list: 100 Titles for Reading and Sharing 2013 Kirkus Best Books of 2013 Best Multicultural Children's Books 2013 (Center for the Study of Multicultural Children's Literature) Notable Children's Books from ALSC 2014 Notable Books for a Global Society Book Award 2014

The incredible story of one man's fight for Mexican-American civil rights, from award-winning picture book creator Duncan Tonatiuh A 2020 Pura Belpré Author Honor Book! José de la Luz Sáenz (Luz) believed in fighting for what was right. Though born in the United States, Luz often faced prejudice because of his Mexican heritage. Determined to help his community, even in the face of discrimination, he taught school children during the day and adults in the evenings. When World War I broke out, Luz joined the army, as did many others. His ability to quickly learn languages made him an invaluable member of the Intelligence Office in Europe. However, Luz found that prejudice followed him even to war, and despite his efforts, he often didn't receive credit for his contributions. Upon returning home to Texas, he joined with other Mexican American veterans to create the League of United Latin American Citizens (LULAC), which today is the largest and oldest Latinx civil rights organization. Using his signature illustration style and Luz's diary entries from the war, award-winning author and illustrator Duncan Tonatiuh tells the story of a Mexican American war hero and his fight for equality.

Undocumented is the story of immigrant workers who have come to the United States without papers. Every day, these men and women join the work force and contribute positively to society. The story is told via the ancient Mixtec codex accordion fold format. Juan grew up in Mexico working in the fields to help provide for his family. Struggling for money, Juan crosses over into the United States and becomes an undocumented worker, living in a poor neighborhood, working hard to survive. Though he is able to get a job as a busboy at a restaurant, he is severely undercompensated—he receives less than half of the minimum wage! Risking his boss reporting him to the authorities for not having proper resident papers, Juan risks everything and stands up for himself and the rest of the community.

Award-winning creator Duncan Tonatiuh brings a cherished Mexican legend to life A Pura Belpré Illustrator Honor Book and ALA/ALSC Notable Children's Book! Izta was the most beautiful princess in the land, and suitors traveled from far and wide to woo her. Even though she was the daughter of the emperor, Izta had no desire to marry a man of wealth and power. Instead, she fell in love with Popoca, a brave warrior who fought in her father's army—and a man who did not offer her riches but a promise to stay by her side forever. The emperor did not want his daughter to marry a mere warrior, but he recognized Popoca's bravery. He offered Popoca a deal: If the warrior could defeat their enemy, Jaguar Claw, then the emperor would permit Popoca and Izta to wed. But Jaguar Claw had a plan to thwart the warrior. Would all be lost? Today two majestic volcanoes—Popocatepetl and Iztaccihuatl—stand overlooking Mexico City. They have been admired and revered for countless generations, and have formed the basis of many origin and creation myths. In The Princess and the Warrior, award-winning author and illustrator Duncan Tonatiuh retells one of Mexico's cherished legends.

It was February 1, 1960. They didn't need menus. Their order was simple. A doughnut and coffee, with cream on the side. This picture book is a celebration of the 50th anniversary of the momentous Woolworth's lunch counter sit-in, when four college students staged a peaceful protest that became a defining moment in the struggle for racial equality and the growing civil rights movement. Andrea Davis Pinkney uses poetic, powerful prose to tell the story of these four young men, who followed Dr. Martin Luther King Jr.'s words of peaceful protest and dared to sit at the "whites only" Woolworth's lunch counter. Brian Pinkney embraces a new artistic style, creating expressive paintings filled with emotion that mirror the hope, strength, and determination that fueled the dreams of not only these four young men, but also countless others.
