~~Service For Bmw F650 Greek~~

You can trust head bike mechanic Yulien Rodriguez and his crew to provide topnotch service, whether it's fixing a simple flat tire or a complete overhaul of your two-wheeler. The prices are ...

Every red-blooded motorcyclist dreams of making the Big Trip--this updated fifth edition shows them how. Choosing a bike, deciding on a destination, bike preparation, documentation and shipping, trans-continental route outlines across Africa, Asia and Latin America, and back-country riding in SW USA, NW Canada and Australia. Plus--first hand accounts of biking adventures worldwide.

"This book, a polished, winding meditation on the theory and fractiousness of motorcycles, celebrates both their eccentric history and the wary pleasures of touring."—The New Yorker In a book that is "a must for anyone who has loved a motorcycle" (Oliver Sacks), Melissa Pierson captures in vivid, writerly prose the mysterious attractions of motorcycling. She sifts through myth and hyperbole: misrepresentations about danger, about the type of people who ride and why they do so. The Perfect Vehicle is not a mere recitation of facts, nor is it a polemic or apologia. Its vivid historical accounts—the beginnings of the machine, the often hidden tradition of women who ride, the tale of the defiant ones who taunt death on the racetrack—are intertwined with Pierson's own story, which, in itself, shows that although you may think you know what kind of person rides a motorcycle, you probably don't.

‘ Inspired ’ , ‘ enthralling ’ and ‘ stylish ’ are just some of the words used to describe the first edition of Bearback. Now in paperback, Pat Garrod ’ s remarkable story is set to be discovered by even more travellers.. Imagine jacking it all in, packing your life into a 41-litre pannier and riding into the sunset. Bearback is the story of two GPs who did just that, downing stethoscopes to take off on their motorcycle, The Bear, to see the world. Across the deserts of Africa, over the mountains of the Andes, deep into the jungles of Indochina, and beyond the Arctic Circle; 100,000 miles through six continents and 64 countries. A circumnavigation of epic proportion and entirely unsupported, it was to become one of the longest journeys ever undertaken by a couple on one motorcycle, a journey destined to change their lives forever. ‘ A remarkable journey. Searching, honest, uplifting ’ – Sir Ranulph Fiennes ‘ An inspired travelogue, dispelling the myth that remarkable journeys are out of your grasp ’ – National Geographic Traveller ‘ Belts along at a cracking pace. Stylish and good quality ’ - RIDE ‘ I didn ’ t want this enthralling book to end. If you only read one travelogue this year, make it this one ’ – Real Travel, Book of the Month ‘ We ’ ve all dreamed about it – quitting the job, packing up the house, and hitting the road for the adventure of a lifetime. Few do it, and even fewer do it as well as Pat Garrod ’ – Travel Africa Magazine

Part of the acclaimed Original series, Original BMW Air-Cooled Boxer Twins presents BMW's most famous motorcycles in exquisite detail. The book focuses on the post-1969 /5 and newer series, paying particular attention to such groundbreaking models as the R75/5, the R90S, the R100RS, and the R80G/S. The book also covers the earlier models in a chapter focusing on the Earles fork machines.

Avoid legal pitfalls for your business from day one A common characteristic of entrepreneurs is the attitude: “ I ’ m not going to do that until I absolutely have to. ” And it ’ s understandable why: with limited time and resources it seems logical to focus on tasks like product development, production, marketing, and delivery—the ones that get your product or service out into the marketplace. The last thing you want to do is spend money and effort on legal issues, which is why they often drop to the bottom of the pile. But this can be a costly mistake—and Go Legal Yourself is here to make sure it ’ s one you avoid. Attorney, inventor, and businesswoman—named Top Woman Entrepreneur by LA Dreams Magazine in 2017—Kelly Bagla knows about doing business from both the entrepreneurial and legal sides of the fence. And in Go Legal Yourself, she guides you through the four key legal lifecycle phases every business experiences—and sets you up for worry-free success from day one. Establish yourself as the correct legal entity Gather and complete the relevant documentation Protect your brand Identify and avoid common (and expensive) pitfalls Plan and manage growth, enter new markets, and keep a sharp competitive edge Wherever you are with your business, this book is your guarantee you have all your legal ducks in a row—and that no nasty legal surprises stand between you and your target: success.
