Service of All the Dead marked the beginning of England's Crime Writers' Association 's love affair with Dexter. He won the CWA Silver Dagger for that novel and again won the Silver Dagger two years later for The Dead of Jericho (1981). He later won CWA Gold Daggers for The Wench Is Dead (1989) and for The Way Through the Woods (1992).

Death is the permanent cessation of all biological functions that sustain a living organism. The remains of a living organism begin to decompose shortly after death. It is an inevitable process eventually occurring in all living organisms. As of the early 21st century, over 150,000 humans die each day.

Service of All the Dead is the fourth novel in Colin Dexter's Oxford-set detective series. The sweet countenance of Reason greeted Morse serenely when he woke, and told him that it would be no bad idea to have a quiet look at the problem itself before galloping off to a solution. Chief Inspector Morse was alone among the congregation in suspecting continued unrest in the quiet parish of St Frideswide's. Most people could still remember the churchwarden's murder. A few could still recall the murderer's suicide. Now even the police had closed the case. Until a chance meeting among the tombstones reveals startling new evidence of a conspiracy to deceive . . . Service of All the Dead is followed by the fifth Inspector Morse book, The Dead of Jericho.

Winner of the CWA Silver Dagger Award, The Dead of Jericho is the fifth novel in Colin Dexter's Oxford-set Inspector Morse series. Morse switched on the gramophone to 'play', and sought to switch his mind away from all the terrestrial troubles. Sometimes, this way, he almost managed to forget. But not tonight . . . Anne Scott's address was scribbled on a crumpled note in the pocket of Morse's smartest suit. He turned the corner of Canal Street, Jericho, on the afternoon of Wednesday, 3rd October. He hadn't planned a second visit. But he was back later the same day – as the officer in charge of a suicide investigation . . . The Dead of Jericho is followed by the sixth book in the detective series, The Riddle of the Third Mile.

Expertly recreating the social and political upheavals of late medieval Europe and the increasing power of the wealthy merchant class, acclaimed author Candace Robb introduces a new series starring Kate Clifford, a woman forged on the warring northern marches of fourteenth century England. Political unrest permeates York at the cusp of the fifteenth century, as warring factions take sides on who should be the rightful king--Richard II or his estranged, powerful cousin in exile, Henry Bolingbroke. Independent minded twenty-year-old Kate Clifford is struggling to dig out from beneath the debt left by her late husband. Determined to find a way to be secure in her own wealth and establish her independence in a male dominated society, Kate turns one of her properties near the minster into a guest house and sets up a business. In a dance of power, she also quietly rents the discreet bedchambers to the wealthy, powerful merchants of York for nights with their mistresses. But the brutal murder of a mysterious guest and the disappearance of his companion for the evening threatens all that Kate has built. Before others in town hear word of a looming scandal, she must call upon all of her hard-won survival skills to save herself from ruin.

Featuring the first three books in Colin Dexter's classic crime series starring Inspector Morse: Last Bus to Woodstock, Last Seen Wearing and The Silent World of Nicholas Quinn. Last Bus to Woodstock: The death of Sylvia Kaye figured dramatically in Thursday afternoon's edition of the Oxford Mail. By Friday evening Inspector Morse had informed the nation that the police were looking for a dangerous man – facing charges of wilful murder, sexual assault and rape. But as the obvious leads fade into twilight and darkness, Morse becomes more and more convinced that passion holds the key . . . Last Seen Wearing: Morse was beset by a nagging feeling. Most of his fanciful notions about the Taylor girl had evaporated and he had begun to suspect that further investigation into Valerie 's disappearance would involve little more than sober and tedious routine . . . The statements before Inspector Morse appeared to confirm the bald, simple truth. After leaving home to return to school, teenager Valerie Taylor had completely vanished, and the trail had gone cold. Until two years, three months and two days after Valerie 's disappearance, somebody decides to supply some surprising new evidence for the case . . . The Silent World of Nicholas Quinn: Morse had never ceased to wonder why, with the staggering advances in medical science, all pronouncements concerning times of death seemed so disconcertingly vague. The newly appointed member of the Oxford Examinations Syndicate was deaf, provincial and gifted. Now he is dead . . . And his murder, in his north Oxford home, proves to be the start of a formidably labyrinthine case for Chief Inspector Morse, as he tries to track down the killer through the insular and bitchy world of the Oxford Colleges . . .

## Read Book Service Of All The Dead Inspector Morse Series Book 4

Last Bus to Woodstock is the novel that began Colin Dexter's phenomenally successful Inspector Morse series. 'Do you think I'm wasting your time, Lewis?' Lewis was nobody's fool and was a man of some honesty and integrity. 'Yes, sir.' An engaging smile crept across Morse's mouth. He thought they could get on well together . . . The death of Sylvia Kaye figured dramatically in Thursday afternoon's edition of the Oxford Mail. By Friday evening Inspector Morse had informed the nation that the police were looking for a dangerous man – facing charges of wilful murder, sexual assault and rape. But as the obvious leads fade into twilight and darkness, Morse becomes more and more convinced that passion holds the key . . . Last Bus to Woodstock is followed by the second Inspector Morse book, Last Seen Wearing.

The Wench is Dead is the eighth novel in Colin Dexter's Oxford-set detective series. That night he dreamed in Technicolor. He saw the ochre-skinned, scantily clad siren in her black, arrowed stockings. And in Morse's muddled computer of a mind, that siren took the name of one Joanna Franks . . . The body of Joanna Franks was found at Duke's Cut on the Oxford Canal at about 5.30 a.m. on Wednesday, 22nd June 1989. At around 10.15 a.m. on a Saturday morning in 1989 the body of Chief Inspector Morse – though very much alive – was removed to Oxford's John Radcliffe Hospital. Treatment for a perforated ulcer was later pronounced successful. As Morse begins his recovery he comes across an account of the investigation and the trial that followed Joanna Franks' death . . . and becomes convinced that the two men hanged for her murder were innocent . . . The Wench is Dead is followed by the ninth Inspector Morse book, The Jewel That Was Ours.

Featuring an introduction by the author, this is a paperback reissue of the debut novel that introduces one of the most popular characters in espionage fiction: George Smiley.

Derived from a Buddhist funerary text, this famous volume's timeless wisdom includes instructions for attaining enlightenment, preparing for the process of dying, and moving through the various stages of rebirth.
