In The Shadow Of The Sword: The Battle for Global Empire ...

In the Shadow of the Sword is a history book charting the origins of Islam. The author, Tom Holland, had previously written two works on ancient history: Rubicon: The Last Years of the Roman Republic, which charted the fall of the Roman Republic, and Persian Fire, which is an account of the Greco-Persian Wars during the 5th century BC. According to Holland, "To understand the origins of Islam, and why it evolved in the way that it did, we must explore the empires and religions of late antiquity"

"*In the Shadow of the Sword*" by Tom Holland is an overview of the predecessors of Islam and Islam's first hundred years. The first 75% of the book covers the centuries immediately before Islam (up to about the year 610) and the last 25% covers Mohammed, the Quran, and the first century of Islamic expansion.

In the Shadow of the Sword: The Birth of Islam and the ...

Tom Holland Little, Brown, 523pp, £25. Tom Holland writes epic texts on epic ancient history. After dealing with the early Romans in *Rubicon* and the struggles between Persia and Greece in *Persian Fire*, he moves on to the origins of Islam. Like his earlier books, *In the Shadow of the Sword* abridges centuries of history into a grand, riveting narrative. A string of empires – from the Abbasid to the Sasanian – are examined, wars and battles are recounted with relish and “catastrophic ...

In the Shadow of the Sword Summary In the Shadow of the Sword: The Birth of Islam and the Rise of the Global Arab Empire by Tom Holland Unfortunately we do not have a summary for this item at the moment Why buy from World of Books

The acclaimed author of Rubicon and other superb works of popular history now produces a thrillingly panoramic (and incredibly timely) account of the rise of Islam. No less significant than the collapse of the Roman Republic or the Persian invasion of Greece, the evolution of the Arab empire is one of the supreme narratives of ancient history, a story dazzlingly rich in drama, character, and achievement. Just like the Romans, the Arabs came from nowhere to

File Type PDF Shadow Of The Sword Tom Holland

carve out a stupefyingly vast dominion—except that they achieved their conquests not over the course of centuries as the Romans did but in a matter of decades. Just like the Greeks during the Persian wars, they overcame seemingly insuperable odds to emerge triumphant against the greatest empire of the day—not by standing on the defensive, however, but by hurling themselves against all who lay in their path.

In the 6th century AD, the Near East was divided between two great empires: the Persian and the Roman. A hundred years on, and one had vanished for ever, while the other was a dismembered, bleeding trunk. In their place, a new superpower had arisen: the empire of the Arabs. So profound was this upheaval that it spelled, in effect, the end of the ancient world. But the changes that marked the period were more than merely political or even cultural: there was also a transformation of human society with incalculable consequences for the future. Today, over half the world's population subscribes to one of the various religions that took on something like their final form during the last centuries of antiquity. Wherever men or women are inspired by belief in a single god to think or behave in a certain way, they bear witness to the abiding impact of this extraordinary, convulsive age - though as Tom Holland demonstrates, much of what Jews, Christians and Muslims believe about the origins of their religion is open to debate. In the *Shadow of the Sword* explores how a succession of great empires came to identify themselves with a new and revolutionary understanding of the divine. It is a story vivid with drama, horror and startling achievement, and stars many of the most remarkable rulers ever seen.

Young Tom has always dreamed of wolves, which everyone knows don't exist. One day he goes out for a log from the woodpile, and when he returns, there is another Tom, like him, but other. Tom, Thom, this dark and compelling tale from short fiction writer K. M. Ferebee will make you reconsider what may be lurking in the forest. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

-a Future Night Stalkers romance story- Captain Christine Merrill ranks as the toughest and best pilot in the Army's Night Stalker fighter regiment. She also hides one of the darkest secrets in the solar system. Sergeant Phil Parello keeps a secret of his own beyond his growing attraction to Captain Christine the Fighting Machine. Crashed on Io's lethal surface, the only way to survive is together. They must share their hearts and their secrets to survive *The Sword of Io*.

Ashlyn Woods can't wait to put her past behind her and start her life over as a normal college student. But her plans take an unexpected turn when she discovers that she is a Soterian: a person who develops amazing powers when the balance of good and evil shifts too far in evil's favor. Soon she and the other Soterians are learning to use their powers to prevent California from being plunged into chaos. But they quickly discover that they're up against a much more dangerous enemy than they anticipated. And when Ashlyn meets Kai, a devastatingly gorgeous guitar player, she realizes she must sacrifice more than she ever imagined.

This book is designed to equip the Christian Patriot to expose the evils of Islam. It examines the challenges, charts out a strategy, formulates the winning arguments, and is packed with damning evidence against Islam.

Mount Airy North Carolina was the birthplace of the late actor Andy Griffith and Historian Tom

Perry. In this memoir of their hometown, Perry tells the story of the real Mayberry and his thoughts of the most famous son of the piedmont North Carolina town. This book is part memoir, part biography and part tour guide about Andy Griffith and Mount Airy, North Carolina. Beginning on the day Andy Griffith died, July 3, 2012, Perry tells about the town that day and goes back in time to bring Griffith and his own family to Mount Airy to work in the factories in the twentieth century. Sharing his connections with Griffith, Perry tells about the youth both shared in Mount Airy. The book then follows Andy Griffith to the University of North Carolina at Chapel Hill, Goldsboro to teach school and then Broadway, television and movies in a career that lasted decades. The book also details the effect of Andy Griffith on Mount Airy with the decades long tourism boom that began in the 1980s with the town taking on the persona of the fictional Mayberry that Griffith obviously used to in his highly successful Andy Griffith Show that ran on CBS for eight years ending its run as the number one show on television.

A midnight ritual by a secret society in the English Countryside nearly costs Thomas Spell his life. He returns home to Chicago to find that he carries within himself something unspeakable - a condition for which he believes there is no cure, until he meets Penelope, a beautiful and brilliant pre-med student determined to heal him. But the Brotherhood searches for him still, convinced that he holds the key to an unimaginable power. As his life begins to spiral out of control, Thomas is forced to confront his own past, as well as the dark forces closing in on him and everything he holds dear.

Of all the civilisations existing in the year 1000, that of Western Europe seemed the unlikeliest candidate for future greatness. Compared to the glittering empires of Byzantium or Islam, the splintered kingdoms on the edge of the Atlantic appeared impoverished, fearful and backward. But the anarchy of these years proved to be, not the portents of the end of the world, as many Christians had dreaded, but rather the birthpangs of a radically new order. MILLENNIUM is a stunning panoramic account of the two centuries on either side of the apocalyptic year 1000. This was the age of Canute, William the Conqueror and Pope Gregory VII, of Vikings, monks and serfs, of the earliest castles and the invention of knighthood, and of the primal conflict between church and state. The story of how the distinctive culture of Europe - restless, creative and dynamic - was forged from out of the convulsions of these extraordinary times is as fascinating and as momentous as any in history.
