We strive to make life go smoothly for ourselves and others, but that is expecting from the world something it cannot give. Ajahn Brahm presents timeless wisdom for learning to abandon the headwind of false expectations and follow instead the path of understanding in order to find true joy within. By releasing our attachment to past and future, hope and fear, we can settle into the stillness underlying all our thoughts and discover the bliss of the present moment.

The bestselling author of *Who Ordered This Truckload of Dung?* and one of the world's most beloved Buddhist monks answers meditators' questions. In *Bear Awareness* English monk Ajahn Brahm answers actual questions from his meditation students—questions you may have had as well. While most mindfulness meditation teachers praise the benefits of bare awareness, he teaches bear awareness. He helps us make friends with the scary things that come up on the cushion, and he knows how to lift the mood with a well-placed stuffed teddy—or a well-timed pun. The intimacy of the question-and-answer format provides a fresh experience of learning from a master meditator. Whether he is urging readers to fly Buddha Air (sit back and relax on your way to nirvana), giving tips for dealing with panic attacks or depression, or extolling the bliss of meditation that is better than sex, he gives us permission to enjoy our lives and our practice.

Desperate is for those who love their children to the depths of their souls but who have also curled up under their covers, fighting back tears, and begging God for help. It's for those who have ever wondered what happened to all their ideals for what having children would be like. For those who have ever felt like all the "experts" have clearly never had a child like theirs. For those who have prayed for a mentor. For those who ever felt lost and alone in motherhood. In *Desperate* you will find the story of one young mother's honest account of the desperate feelings experienced in motherhood and one experienced mentor's realistic and gentle exhortations that were forged in the trenches of raising her own four children. Also in *Desperate*: QR codes and links at the end of each chapter that lead to videos with Sarah Mae and Sally talking about the chapter Practical steps to take during the desperate times Bible study and journal exercises in each chapter that will lead you to identify ways in which you can grow as a mom Mentoring advice for real-life situations Q & A section with Sally where she answers readers questions

Meditation: it's not just a way to relax, or to deal with life's problems. Done correctly, it can be a way to radically encounter bliss and to begin - and sustain - real transformation in ourselves. In *Mindfulness, Bliss, and Beyond*, self-described meditation junkie Ajahn Brahm shares his knowledge and experience of the jhanas - a core part of the Buddha's original meditation teaching. Never before has this material been approached in such an empowering way, by a teacher of such authority and popularity. Full of surprises, delightfully goofy humor, and entertaining stories that inspire, instruct, and illuminate, *Mindfulness, Bliss, and Beyond* will encourage those new to meditation, and give a shot in the arm to more experienced practitioners as well.

The 108 pieces in the international bestseller *Who Ordered This Truckload of Dung?* offer thoughtful commentary on everything from love and commitment to fear and pain. Drawing from his own life experience, as well as traditional Buddhist folk tales, author Ajahn Brahm uses over thirty years of spiritual growth as a monk to spin delightful tales that can be enjoyed in silence or read aloud to friends and family. Featuring titles such as "The Two-Finger Smile" and "The Worm and His Lovely Pile of Dung," these wry and witty stories provide playful, pithy takes on the basic building blocks of everyday life. Suitable for children, adults, and anyone in between, this eloquent volume wraps insight and inspiration inside of a good old yarn.

Laugh aloud even as you look at life anew with these stories from the bestselling author of *Who Ordered This Truckload of Dung?* In 108 brief stories with titles like "The Bad Elephant," "Girlfriend Power," and "The Happiness License," Ajahn Brahm offers up more timeless wisdom that will speak to people from all walks of life. Drawing from his own experiences, stories shared by his students, and old chestnuts that he delivers with a fresh twist, Ajahn Brahm shows he knows his way around the humorous parable, delighting even as he surprises us with unexpected depth and inspiration.

Famed for his *Alice in Wonderland* and *Through the Looking Glass*, Lewis Carroll produced comic verse, puzzles and much more, all of which are included in this complete illustrated collection.
