key spelling and grammar rules and are written in an exciting, modern style on subjects that interest children. Each song or chant is accompanied by a set of activities and ideas for further development. No music reading is required and the pack includes a CD with sample performances.

A songbook bursting with stimulating play-based activities designed to support science teaching and enrich young children's experience of science in a fun and engaging way. The songs and activities introduce key concepts, vocabulary and facts about science. Topics include plants, moving and growing, teeth and eating, habitats, solids and liquids and are written in an exciting, modern style on subjects that interest children. Each song or chant is accompanied by a set of activities and ideas for further development, making it a perfect resource for combining with practical science as a starter, plenary or for revision activities. No music reading is required and the pack includes a CD with sample performances.

Written for teachers or parents of young children, Singing Lessons for Little Singers offers exciting songs and exercises based on proven pedagogical principles and healthy vocal technique for use in solo or group voice lessons. This revolutionary method was created to fill the great void of private singing lesson materials for children: it combines a system of voice-developing exercises with an ear-training and sight-singing course and a collection of enjoyable songs with entertaining lyrics and delightful illustrations. This powerful, comprehensive method has had great success in developing advanced singing skills, as well as creating many satisfying experiences for students.

Mastering phonics is fun with this BIG flip chart of lively songs set to familiar tunes. Turn to this sturdy resource to target and teach key phonemic elements including short vowels, long vowels, silent e, bossy r, blends, digraphs, and more. Includes a companion CD of every song PLUS ready-to-go activities. A great way to reach both visual AND auditory learners! For use with Grades K&D2.

The Singing Cowboys is a nostalgic, back-in-the-saddle examination of the musical B-Western films of the 1930s, 1940s, and 1950s and the singing cowboys that made them so popular. The author, David Rothel, spent a fondly remembered portion of his youth sitting in the Lincoln Theatre in Elyria, Ohio, where the singing cowboys-Gene Autry, Roy Rogers, Tex Ritter, and all the rest-played out their adventures and yodeled their songs on the silver screen. Thousands, perhaps millions, of youngsters from that era shared this common experience during their formative years. First published in 1978, The Singing Cowboys has been out of print for many years. Now, Riverwood Press in association with The Lone Pine Museum of Western Film History has republished the book in an updated, expanded, and repackaged edition. We hope you enjoy!

Great gift idea for the rude dude in your family! If you can hum the tune, we have the lyrics! You know what it's like; you're at a party, or the bar, a diner, or going on a roadtrip, and you hear a song you like and just can't stop yourself from twisting the lyrics. "Excuse me while I kiss this guy." Yeah we know what Jimmy really said, but some darn funny lyrics can be used on just about every classic and popular song, rock, beat, hip-hop - whatever man! This volume has the following funny lyrics... Losing My Religion - Losing My Bladder Control Just A Gigolo - Just a Gigolo/Got No Body (Skeletal Version) The Look of Love - The Look of Lust (Nerd Edition) 50 Ways to Leave Your Lover - 50 Ways to Spank Your Monkey Space Oddity - Bowel Oddity Don't Fear The Reaper - Don't Fear The Reefer Raindrops Keep Falling on My Head - Peedrops Keep Fallin' on My Head Putting on the Ritz - Putin on the Shitz Puff the Magic Dragon - Poof The Tragic Drag Queen Smoke on the Water - Smoke in the Toilet Doctor Who Theme Music - Doctor Poo and the TURDIS (yes lyrics to this famous tune!) Good Vibrations - Big Vibrator Take it Easy - Take it Sleazy Another Brick in the Wall - Another Prick in the Wall Blinded by the Light - Blinded by the Shite Everybody Dance Now - Everybody Jack Now WARNING! Some adult content, some non-PC, but mostly adolescent naughty schoolboy humor. Have fun!

Teachers, especially those in nursery and pre-primary schools, know that it takes specialized learning aids to help children learn how to identify objects, develop eye-hand and fine motor coordination, improve attention span, and learn to focus on the activity in which they are participating. The aim of BEE CLEVER Activity Books Keeping these important learning factors in mind, a pre-school educator and counsellor has created a series of simple and stimulating activity books. These help develop the skills a child needs, plus contribute to the further development of the child's 'writing readiness'. Pallavi Dalal - the creator of BEE CLEVER Activity Books - has spent over 25 years working with pre-school children. She says, "There has been much thought, care, understanding, laughter and joy that has gone into creating these books. I can only hope that they will bring children many 'magical moments' of learning, and spending time with each other in a happy and relaxed frame of mind." Two Important Factors While planning any activity for children, two important principles of learning are always uppermost in her mind: 1. "I see and I remember." 2. "I do and I understand." She has designed these books to develop differentiating and logical thinking skills in children and evaluate their interests in certain areas, without making them feel like they are being 'tested'! How BEE CLEVER books are DIFFERENT - Objects illustrated are those a child is generally familiar with. - Instructions can be read to a child without having to simplify them. - Illustrations are bold and clear for the child to see and work comfortably. - Accurate use of grammar, punctuation and spelling. - Each book in the series explains the value of doing that specific activity. - Simple 'Do's and Don'ts' create a 'win-win' situation for the child. BEE CLEVER SERIES: - Colouring 1 - Colouring 2 - Join the Dots 1 - Join the Dots 2 Matching - Mazes 1 - Mazes 2 - Numbers 1 - Numbers 2 - Odd One Out - Opposites 1 - Opposites 2 - Pattern & Letter Writing 1 - Pattern & Letter Writing 2 - Phonics 1 - Phonics 2 - Shapes 1 - Shapes 2 - Story Sequence - What's Different? - What's Next? - What's Wrong? Illustrations by Pallavi Basu

Suddenly, a plethora of thoughts and memories raced through my mind; my childhood, my parents, my friends, but most of all someone whom I hadn't seen in many years.

Bingo Lingo - the book which put the fun into the literacy hour - is relaunching in a bright new edition. A sharp fresh design makes the content even more accessible and friendly. But the heart of the book remains a wonderfully clever collection of songs and rhymes with familiar tunes, all of which teach an aspect of literacy in a fun and memorable way. Completely new is a whole set of content links with the National Literacy Strategy. Quick clear links can be found on our music website.
