Outsider depicts the idea of "difference"--whether through race, gender, or sexuality--as a powerful tool for empowerment that can be used as a catalyst for change. Throughout the fifteen essays and speeches that comprise the volume, Lorde asserts that because she is a black, queer woman, she is considered an outsider, but that it is precisely her outsider perspective that allows her to see the various layers of identity-based oppression. A pioneer of intersectional feminism, *Sister Outsider* encourages the reader to embrace their difference and weaponize it for change, a once-radical 20th-century idea that has become a full-blown movement today. Penguin Classics launches a new hardcover series with five American classics that are relevant and timeless in their power, and part of a dynamic and diverse landscape of classic fiction and nonfiction from almost seventy-five years of classics publishing. Penguin Vitae provides readers with beautifully designed classics that have shaped the course of their lives, and welcomes new readers to discover these literary gifts of personal inspiration, intellectual engagement, and creative originality"--

Audre Lorde was not only a famous poet; she was also one of the most important radical black feminists of the past century. Her writings and speeches grappled with an impressive broad list of topics, including sexuality, race, gender, class, disease, the arts, parenting, and resistance, and they have served as a transformative and important foundation for theorists and activists in considering questions of power and social justice. Lorde embraced difference, and at each turn she emphasized the importance of using it to build shared strength among marginalized communities. I Am Your

Sister is a collection of Lorde's non-fiction prose, written between 1976 and 1990, and it introduces new perspectives on the depth and range of Lorde's intellectual interests and her commitments to progressive social change. Presented here, for the first time in print, is a major body of Lorde's speeches and essays, along with the complete text of *A Burst of Light* and Lorde's landmark prose works *Sister Outsider* and *The Cancer Journals*. Together, these writings reveal Lorde's commitment to a radical course of thought and action, situating her works within the women's, gay and lesbian, and African American Civil Rights movements. They also place her within a continuum of black feminists, from Sojourner Truth, to Anna Julia Cooper, Amy Jacques Garvey, Lorraine Hansberry, and Patricia Hill Collins. *I Am Your Sister* concludes with personal reflections from Alice Walker, Gloria Joseph, Johnnetta Betsch Cole, Beverly Guy-Sheftall, and bell hooks on Lorde's political and social commitments and the indelibility of her writings for all who are committed to a more equitable society.

A penzine discussing issues such as feminism, food politics and sexual assaults. Includes essay by Audre Lorde 'The Transformation of Silence into Language and Action', reprinted from 'Sister Outsider'.

Moving, incisive, and enduringly relevant writings by the African-American poet and feminist include her thoughts on the radical implications of self-care and living with cancer as well as essays on racism, lesbian culture, and political activism.

Audre Lorde fuses the personal and political and refuses the silencing and invisibility that she experienced both as a woman facing her own death and as a woman coping with the loss of her breast."--BOOK JACKET.

This explicitly Black feminist perspective is especially powerful during an era when violence against women and other hate crimes have escalated to epidemic proportions.

A definitive selection of Audre Lorde ' s "intelligent, fierce, powerful, sensual, provocative, indelible" (Roxane Gay) prose and poetry, for a new generation of readers. Self-described "black, lesbian, mother, warrior, poet" Audre Lorde is an unforgettable voice in twentieth-century literature, and one of the first to center the experiences of black, queer women. This essential reader showcases her indelible contributions to intersectional feminism, queer theory, and critical race studies in twelve landmark essays and more than sixty poems—selected and introduced by one of our most powerful contemporary voices on race and gender, Roxane Gay. Among the essays included here are: "The Transformation of Silence into Language and Action" "The Master ' s Tools Will Never Dismantle the Master ' s House" "I Am Your Sister" Excerpts from the American Book Award – winning *A Burst of Light* The poems are drawn from Lorde ' s nine volumes, including *The Black Unicorn* and National Book Award finalist *From a Land Where Other People Live*. Among them are: "Martha" "A Litany for Survival" "Sister Outsider" "Making Love to Concrete"

The poet, Audre Lorde, depicts her life and examines the influence of various women on her development.

In this collection, Audre Lorde gives us poems that explore "differences as creative tensions, and the melding of past strength / pain with future hope / fear; the present being the vital catalyst, the motivating force-activism."
