Slave To Fashion is made up of interviews and micro-documentaries with the men, women and children caught up in slavery, making the clothes sold on our high streets, in Europe and the developing world. The book profiles best practice of brands and designers within the fashion industry to prove that slave-free fashion is achievable and fashion can be used to empower workers – whilst creating beautiful, competitive and accessible fashion.

<span>Slave To Fashion - Safia Minney</span>
What is slavery to Fashion? Well, as one philosopher put it: Those are slaves of fashion who pursue (or read) what is fashionable because it is fashionable and cease doing what is no longer fashionable [when it is no longer fashionable]. That is a very good definition. Succinct, comprehensive, every word tells.

Hoop skirts were still wildly popular, for instance, because they enabled women to parade around in as much expensive fabric as possible. They had to be careful, then, as they constantly had to teeter along a fine line between excellent self-presentation and the risk of being labeled as a slave to fashion.

Slaves to Fashion is a pioneering cultural history of the black dandy, from his emergence in Enlightenment England to his contemporary incarnations in the cosmopolitan art worlds of London and New York. It is populated by sartorial impresarios such as Julius Soubise, a freed slave who sometimes wore diamond-buckled, red-heeled shoes as he circulated through the social scene of eighteenth-century London, and Yinka Shonibare, a prominent Afro-British artist who not only styles himself as a fop but also creates ironic commentaries on black dandyism in his work. Interpreting performances and representations of black dandyism in particular cultural settings and literary and visual texts, Monica L. Miller emphasizes the importance of sartorial style to black identity formation in the Atlantic diaspora. Dandyism was initially imposed on black men in eighteenth-century England, as the Atlantic slave trade and an emerging culture of conspicuous consumption generated a vogue in dandified black servants. "Luxury slaves" tweaked and reworked their uniforms, and were soon known for their sartorial novelty and sometimes flamboyant personalities. Tracing the history of the black dandy forward to contemporary celebrity incarnations such as Andre 3000 and Sean Combs, Miller explains how black people became arbiters of style and how they have historically used the dandy's signature tools—clothing, gesture, and wit—to break down limiting identity markers and propose new ways of fashioning political and social possibility in the black Atlantic world. With an aplomb worthy of her iconographic subject, she considers the black dandy in relation to nineteenth-century American literature and drama. W. E. B. Du Bois's reflections on black masculinity and cultural nationalism, the modernist aesthetics of the Harlem Renaissance, and representations of black cosmopolitanism in contemporary visual art.

Slave to Fashion is made up of interviews and microdocumentaries with the men, women and children caught in slavery, making the clothes sold on our high streets in Europe and the developing world. It will also profile best practice of brands and designers within the fashion industry to prove that slave-free fashion is achievable and fashion can be used to empower workers. Slave to Fashion brings in the facts, stories and actions we must take to eradicate modern slavery.

Katie Castle loses her dream job with chic fashion designer Penny Moss, as well as her fiancée, Penny's son, after a fling with one of the company drivers, and attempts to maneuver herself back into the fashion world.

"A brilliant and beautiful book, the mature work of a lifetime, must reading for students of the globalization debate." ---Tom Hayden "Slaves to Fashion is a remarkable achievement, several books in one: a gripping history of sweatshops, explaining their decline, fall, and return; a study of how the media portray them; an analysis of the fortunes of the current anti-sweatshop movement; an anatomy of the global traffic in apparel, in particular the South-South competition that sends wages and working conditions plummeting toward the bottom; and not least, a passionate declaration of faith that humanity can find a way to get its work done without sweatshops. This is engaged sociology at its most stimulating." ---Todd Gitlin " . . . unflinchingly portrays the reemergence of the sweatshop in our dog-eat-dog economy." ---Los Angeles Times Just as Barbara Ehrenreich's Nickel and Dimed uncovered the plight of the working poor in America, Robert J. S. Ross's Slaves to Fashion exposes the dark side of the apparel industry and its exploited workers at home and abroad. It's both a lesson in American business history and a warning about one of the most important issues facing the global capital economy--the reappearance of the sweatshop. Vividly detailing the decline and tragic rebirth of sweatshop conditions in the American apparel industry of the twentieth century, Ross explains the new sweatshops as a product of unregulated global capitalism and associated deregulation, union erosion, and exploitation of undocumented workers. Using historical material and economic and social data, the author shows that after a brief thirty-five years of fair practices, the U.S. apparel business has once again sunk to shameful abuse and exploitation. Refreshingly jargon-free but documented in depth, Slaves to Fashion is the only work to estimate the size of the sweatshop problem and to systematically show its impact on apparel workers' wages. It is also unique in its analysis of the budgets and personnel used in enforcing the Fair Labor Standards Act. Anyone who is concerned about this urgent social and economic topic and wants to go beyond the headlines should read this important and timely contribution to the rising debate on low-wage factory labor. Robert J.S. Ross is Professor of Sociology, Clark University. He is an expert in the area of sweatshops and globalization. He is an activist academic who travels and lectures extensively and has published numerous related articles.

: "Slave to Fashion offers hope of a fairer, more ethical world and gives the reader plenty of tools to navigate a challenging fashion system."—Livia Firth There are over 35 million people trapped in modern slavery today—the largest number of slaves in modern history. This is fueled by the global demand for cheap labor—which is what makes the fast fashion industry work. Slave to Fashion is a highly accessible book which uses brilliant design, personal stories, and easy-to-grasp infographics to raise awareness among common brand consumers. Fair trade and sustainable fashion expert Safia Minney draws on her extensive knowledge and personal experience to call attention to the human hardship that goes hand-in-hand with producing our clothes, and highlights what governments, business leaders, and consumers can do to call time on this unnecessary suffering. The product of a successful crowdfunding campaign, Slave to Fashion celebrates those fighting for justice and the many initiatives that are taking place. It contains a practical toolkit that all consumers can use to demand change from the companies that produce our clothes. Safia Minney is a pioneer in ethical business. She developed the fashion industry's first fair trade supply chains and has helped to create social and organic standards to improve the lives of thousands of economically marginalized people in the developing world. Minney now brings her expertise and experience to help businesses embrace sustainability and transparency in their operations and branding. She is the author of several acclaimed books, including Naked Fashion and Slow Fashion.

Slow Fashion offers creatives, entrepreneurs, and ethical consumers alike a glimpse into the innovative world of the eco-concept store movement, sustainable design, and business that puts people, livelihoods, and sustainability central to everything they do. Safia Minney argues that the future of brick and mortar retail is in the best in fair trade, sustainability, and organic products, together with vintage and second hand goods and local produce. Restorative economics, the well-being of our planet, and our bodies and minds can be inspired by this growing sector, one that is shaping big business. This book curates pioneering people and projects that will inspire you to be part of the change. International names include Livia Firth, Zandra Rhodes, and Lily Cole. American change-makers include Andrew Morgan, filmmaker (The True Cost, a ground-breaking documentary that asks us each to consider who pays the price for our clothing), and Dana Guffner (Fair World Project). With full color photography and elegant design, Slow Fashion profiles the people bringing the alternatives to the mainstream: designers, labels, and eco-concept stores across the world; fair trade producers; campaigns that are re-designing the fashion economy; and the fibers and fabrics which are making a difference. Safia Minney is founder and CEO of fair trade and sustainable fashion label People Tree. She has turned a lifelong interest in environment, trade, and social justice issues into an award-winning social business. She is widely regarded as a leader in the Fair Trade movement and has been awarded Outstanding Social Entrepreneur by the World Economic Forum.

Fashion is more than a passion - it's a tool, and here's the power to change the world with style

THE FIRST PSY/CHANGELING NOVEL from the New York Times bestselling author of Shards of Hope, Shield of Winter, and Heart of Obsidian . The book that Christine Feehan called "a must-read for all of my fans." In a world that denies emotions, where the ruling Psy punish any sign of desire, Sascha Duncan must conceal the feelings that brand her as flawed. To reveal them would be to sentence herself to the horror of "rehabilitation"—the complete psychic erasure of everything she ever was. Both human and animal, Lucas Hunter is a Changeling hungry for the very sensations the Psy disdain. After centuries of uneasy coexistence, these two races are now on the verge of war over the brutal murders of several Changeling women. Lucas is determined to find the Psy killer who butchered his packmate, and Sascha is his ticket into their closely guarded society. But he soon discovers that this ice-cold Psy is very capable of passion—and that the animal in him is fascinated by her. Caught between their conflicting worlds, Lucas and Sascha must remain bound to their identities—or sacrifice everything for a taste of darkest temptation...

Having spent most of his life managing his servants—many of them prisoners from Rome’s military conquests—he decided to write a kind of owner’s manual for his friends and countrymen. The result, The Roman Guide to Slave Management, is a sly, subversive guide to the realities of servitude in ancient Rome. Cambridge scholar Jerry Toner uses Falx, his fictional but true-to-life creation, to describe where and how to Romans bought slaves, how they could tell an obedient worker from a troublemaker, and even how the ruling class reacted to the inevitable slave revolts. Toner also adds commentary throughout, analyzing the callous words and casual brutality of Falx and his compatriots and putting it all in context for the modern reader. Written with a deep knowledge of ancient culture—and the depths of its cruelty—this is the Roman Empire as you’ve never seen it before.

The alternate world of Westmouth resembles 1950’s North America, but for a class-conscious society with a ruling aristocracy and a tradition of slavery. When Lady Irene accompanies her husband to a slave auction, she shocks everyone by taking an unprecedented initiative that launches her on a shocking odyssey. Her various sexual adventures are collected into this single volume.
