Smile by Raina Telgemeier
Smile is a graphic novel by Raina Telgemeier. It gives an account of the author’s life from sixth grade to high school. Raina just wants to be a normal sixth grader. But one night after Girl Scouts she trips and falls, severely injuring her two front teeth. What follows is a long and frustrating journey with on-again, off-again braces, surgery, embarrassing headgear, and even a retainer with fake teeth attached. And on top of all that, there's still more to deal with: a major earthquake, boy confusion, and friends who turn out to be not so friendly.

Smile by Raina Telgemeier
When a child smiles at a stranger, she sets off a chain of kindness that eventually comes full circle.

Smile by Raina Telgemeier
The debut book from a celebrated artist on the urgent topic of street harassment Every day, all over the world, women are catcalled and denigrated simply for walking down the street. Boys will be boys, women have been told for generations, ignore it, shrug it off, take it as a compliment. But the harassment has real consequences for women: in the fear it instills and the shame they are made to feel. In Stop Telling Women to Smile, Tatyana Fazlalizadeh uses her arresting street art portraits to explore how women experience hostility in communities that are supposed to be homes. She addresses the pervasiveness of street harassment, its effects, and the kinds of activism that can serve to counter it. The result is a cathartic reckoning with the aggression women endure, and an examination of what equality truly entails.
