There are three main things to consider when choosing your snowboard bindings: Fit, flex and features. 1. Fit. Obviously bindings come in different sizes to fit different boots, and a snug fit between boot and binding is vital for effective control. Perhaps less obviously, different bindings also fit different boards.

MaxSnowboard.com put together a snowboard buyers guide to get you comfortable learning about snowboarding. Areas covered are boots, boards, bindings, jackets, gloves, hats and helmets.About the Author:Winter is Sherry Popper's favorite time of the year. She is the kind of girl who enjoys extreme weather sports such as skiing and snowboarding. Despite being only an amateur at both sports, Sherry enjoys showing off her skills on the snow-covered terrains together with some of her family and friends. However, during summer days, Sherry likes to soak up the sun by playing beach volleyball and going swimming. Sherry also loves to go hiking and mountain climbing and she dreams of being able to visit Mt. Everest someday.

The World's Most Sizzling Snowboard Spots and Techniques

A guide to one of the premier backcountry ski areas in Western Canada, this book covers all disciplines of backcountry snow sports from snowboarding on destination slopes to backcountry skiing, to overnight glacier expeditions in the remote and rugged Purcell Mountains. Areas include the Bugaboos, Horsethief, Toby and Jumbo creeks and Kootenay National Park. For the less adventurous, the authors describe the three Nordic centres of: Nipika, Panorama and Baptiste Lake that offer a selection of trackset trails for striding and skating.

So you want to learn to Snowboard? Look no further! In Learn to Snowboard in 2 Days you will find a simple step by step program that has been designed to give you the best possible start on your Snowboarding journey - guaranteed!
