William, this means trying to hold together a stagnant relationship while resisting the temptation of Jason Grant, a young man with eyes just as intense as his love. Only the future can promise redemption for mistakes of the past, forcing William to choose between the Coast Guard and the needs of his heart. Can he find his way through the downpour to somewhere warm and dry? Something like Rain is the latest installment of the Something Like... series, bringing shape to another character's life while checking in with those from previous books.

A love story spanning a decade and beyond as two boys discover what it means to be friends, lovers, and sometimes even enemies.

Love can appear unexpectedly: a chance meeting at a friend's wedding, a handsome new co-worker... or while being robbed at a convenience store. For some, love seems an impossible dream. Growing up gay in small-town Missouri, Jace Holden thought his chance would never come. When he meets Victor—a wild soul and fellow outsider—his odds of finding love go from bleak to a very uncertain maybe. Bracing his heart, Jace chases after his desire, hoping for a warm hand to take hold of his own. Something Like Autumn tells the story of Jace's life before the events of Something Like Summer, while also revisiting his time with Benjamin Bentley. This isn't a coming out story. Nor is it the tale of a lonely heart seeking companionship. This is about how I learned to fight. My name is Nathaniel Courtney and I'm a survivor. I didn't let the cruelty of others wear me down, and I've weathered the more subtle hardships of the heart. Love is a Trojan horse, slipping past your guard and leaving you ransacked and vulnerable. I emerged from that war not unscathed but as a new man. The only mistake I made was letting the right guy get away. Now I've got one more chance. This is the final battle, because if I fail now... I won't. You'll see. Just listen to my story, Kelly Phillips, and when I'm done, please don't walk away. Take this weary soldier into your arms so we can find peace together. Something Like Thunder is the sixth book in the ongoing Something Like... series, shedding light on past events while leading the reader toward an exciting new future.
