The book presents an insight into football development and every aspect of it is comprehensively covered with a special focus on grassroots football. Back to the Roots illustrates in detail the player development process, underlining and envisaging key aspects required for the successful and sustainable player development pathway. It highlights the importance of football in schools and training academies for young talent. The author, being associated with the game and its development for many years, presents a road-map for making football an integral part of the school

Competition is built into the American way of life. But is it the best way to live? When we perceive the world as a football game--as

Get Free Spanish Football Training Manual China

a competition to beat others so that we can be the best and biggest--is there a human cost that all of us pay? When the two biggest superpowers on earth engage in a trade war, does anybody win? China Love You is a book written by two prominent business people, one from America, and one from China. It tells the story of how both of them came across the same ancient book from Asia--the Diamond Cutter Sutra--in their early years; used its wisdom to build two highly successful companies, one in New York and one in Beijing; and proved that human beings can go beyond the concept of
