Speakout is a comprehensive English course that helps adult learners gain confidence in all skills areas using authentic materials from the BBC. With its wide range of support material, it meets the diverse needs of learners in a variety of teaching situations and helps bridge the gap between the classroom and the real world.

'Speakout' is a 6-level general English course for adults, bridging the gap between the classroom and the real world helping students express themselves in English.

American Speakout is a six-level series based on topics

## Online Library Speakout Starter Student Book Manual De Libro

that are relevant to students' lives and global in nature. Its emphasis on authentic listening opportunities and presentation of language in context enables learners to personalize the language they learn and express themselves confidently in real English-speaking environments. American Speakout follows a balanced approach to topics, language development, and skills work. Highlights Builds learner confidence Authentic, real-world language, challenging activities, and recycling of language builds student confidence in understanding context and communication. Video clips and interviews on the street expose students to a wide range of language and accents, familiarizing them with English as it is spoken. Encourages learners to spend
